Application procedures, 18
Arabic language courses, 218
Architecture, College of, 97–105
 accreditation, 97
 admission requirements, 19–20, 98
 Bachelor of Architecture degree, 102
 requirements, 102
 suggested program, 102
 Bachelor of Science in Environmental Design degree, 101
 requirements, 101
 suggested program, 101–102
 Bachelor of Science in Industrial Design degree, 100–101
 college requirements, 100
 counseling (academic), 98
 courses: architecture (ARCH), 103–105
 faculty, 103
 general degree requirements, 100
 graduate programs offered, 103
 library, 97
 minor in architecture, 102
 Sasakawa International Center for Space Architecture, 98
 telephone numbers, 97
 transfer requirements, 98–99
Architecture and Art Library, 97
Army Reserve Officers Training Corps (ROTC), 52, 212
Art, Department of, 185–191
 Bachelor of Arts degree in art history, 185–186
 Bachelor of Fine Arts degree in studio arts, 186–187
 foundation program, 186
 major concentration, 186–187
 related arts, 186
 courses, 187–191
 art (ART), 187–190
 art history (ARTH), 190–191
 degrees offered, 185
 faculty, 185
 minor in art history, 187
 minor in studio arts, 187
(*see also under* Liberal Arts and Social Sciences, College of)
Asian American Studies minor, 126
Athletics and athletic facilities, 11, 82

Attendance, 63
Auditing courses, 40

B

Baccalaureate degree requirements, 70–75
Bachelor of Arts degree special requirements, 70–71
Bachelor of Science degree special requirements, 70–71
core curriculum, 71–75
Minors, 71

Bauer College of Business, 107–123
Accountancy and Taxation, Department of, 110–112
accreditation, 107
administration, 107
admission requirements, 19, 108
for high school graduates, 19, 108
for international students, 108
for students from other University of Houston colleges, 108
for transfer students, 22, 108
bachelor's degrees offered, 109
core curriculum requirements, 108
course repetition, 121
courses
accounting (ACCT), 111
decision and information sciences (DISC), 112–113
entrepreneurship (ENTR), 117
finance (FINA), 114
general business (GENB), 117
international business (INTB), 117
management (MANA), 115
marketing (MARK), 116–117

Decision and Information Sciences, Department of, 112–113

Finance, Department of, 113–114
graduation requirements, 108–109
grade point average, 121

Management, Department of, 114–115

Marketing and Entrepreneurship, Department of, 116–117
minor in business administration, 109–110
professional and honorary societies, 122–123
Research and Instructional Computing Service (RICS), 122
societies, 122
telephone numbers, 107

Biology and Biochemistry, Department of, 256–260
Biochemistry
bachelor's degree suggested program, 257
courses, biochemistry (BCHS), 258
requirements for major, 257
requirements for minor, 257

Biology
bachelor's degree suggested program, 259
courses, biology (BIOL), 259–260
requirements for major, 258
requirements for minor, 258
Faculty, 256

Biomedical Engineering, 154
Blaffer Gallery (Sarah Campbell Blaffer Gallery), 81
Board of Regents, 7
Bookstore, 81

Business, Bauer College of (*see* Bauer College of Business)

C

Calendar, academic, 5–6
Campus map, 352–353
Campus Recreation and Wellness Center, 89
Cancellation of registration, 35
Cap and gown, 77
Career counseling, 91
Catalog
Graduation, 69
Seven year rule, 69–70
Thirteen month rule, 69–70

Center for Mexican American Studies, 211–212
Center for Public Policy, 172
Change of address, 66
Change of major, 66
Change of name, 67

Chemical Engineering, Department of, 143–145
courses: chemical engineering (CHEE), 144–145
faculty, 143
suggested program, 143–144
(*see also under* Engineering, Cullen College of)

Chemistry, Department of, 260–263
Bachelor of Arts degree requirements, 261
suggested program, 261–262
Bachelor of Science degree requirements, 260
suggested program, 261
courses: chemistry (CHEM), 262–263
departmental requirements, 260
faculty, 260
minor in chemistry, 261
(*see also under* Natural Sciences and Mathematics, College of)

Child care, 92
Chinese language courses, 218–219

Civil and Environmental Engineering, Department of, 145–146
courses: civil engineering (CIVE), 146
faculty, 145
suggested program, 145–146
(*see also under* Engineering, Cullen College of)

Class schedule, 35
Classical Studies, 214
(*see* Department of Modern and Classical Languages)
courses: classical studies (CLAS), 219
degree requirements, 214–215
electives, 215
faculty, 214
(*see also under* Modern and Classical Languages, Department of)

Classifications (hours/GPA standards), 58
(*see also* Student classifications)

CLEP test, AP test, departmental exams, 29–32

Communication Disorders, Department of, 196–198
Bachelor of Arts requirements, 197
Bachelor of Science requirements, 197
courses, communication disorders (COMD), 198
degree requirements, 197
faculty, 196
(*see also under* College of Liberal Arts and Social Sciences)

Communication, School of, 191–196
corporate communications, concentration in, 193
courses (COMM), 193–196
degrees and majors offered, 191
faculty, 191
general requirements, 191
interpersonal communication, concentration in, 193
journalism, concentration in, 192
media production, concentration in, 192
media studies, concentration in, 192
minor in School of Communication concentrations, 192
public relations/advertising, concentration in, 192
(*see also under* College of Liberal Arts and Social Sciences)

Computer resources, 85
College of Technology computer facilities, 292
computer sales (Cougar Byte), 79
Research and Instructional Computing Service, 122

Computer Science, Department of, 263
bachelor's degree (business option) suggested program, 265
bachelor's degree (systems, science option) suggested program, 264–265
courses: computer science (CosC), 266–267
faculty, 263
freshman admission to computer science, 19, 263
major, requirements for, 264
minor, requirements for, 264
transfer students, 264
(*see also under* Natural Sciences and Mathematics, College of)

Concurrent (dual) enrollment, 20, 43
Confidentiality of student records, 67

Conrad N. Hilton College of Hotel and Restaurant Management
(*see* Hotel and Restaurant Management, Conrad N. Hilton College of)

Consumer sciences and merchandising
(*see under* Human Development and Consumer Sciences, Department of)

Continuing Education, Division of, 53
Cooperative Education Program, 51
Core curriculum, 71–75
(*see class schedule for approved core courses*)
Correspondence credit, 29
Cougar Byte (computer sales), 79
Counseling
academic, 34, 58, 92–93
career, 91
for handicapped students, 94–95
for international students, 94
personal, 92
for veterans, 94
Course load, 58–59
course overload, 59
full-time status, 58
Course numbering, 3, 28
Course punctuation, 3
Courses
(*see under individual department or college*)
Credit by examination (*see also* Placement without Credit), 29–32
special examinations, 32

Cullen College of Engineering (*see* Engineering, Cullen College of)

Curriculum and Instruction, Department of, 129–130
courses, 129–130
curriculum and instruction (CUIN), 129
elementary education (ELED), 129–130
secondary education (SEDE), 130

faculty, 129
(see also under Education, College of)

D

Deadlines, admission, 17
Dean of Students, 87
Decision and Information Sciences, Department of, 112–113
courses (Disc), 112–113
faculty, 112
(see also under Bauer College of Business)
Definition of terms, 1–2
Degrees granted, 69
Degree plans, 70
Degree requirements, 70–75
additional bachelor's degree, 76
Bachelor of Arts degree requirements, 70
Bachelor of Science degree requirements, 70
core curriculum requirements, 71–75
degree plan, 70
degree requirement waiver, 76
general degree requirements, 70
grade point average, 60, 70
graduation application, 76
graduation with honors, 77
graduation under a particular catalog, 69–70
history and constitutions requirement, 75–76
requirements for a minor, 71
Degrees, academic, 69
Dining facilities on campus, 79
(see also University Center and University Center Satellite)
Division of Continuing Education, 53
Dormitories (see Housing on campus)
Double majors, 76
Drama, (see also Theatre, School of)
certification, 128, 179
Dropping courses, 63–64
Dudley Recital Hall, 81

E

Economics, Department of, 198–202
courses: economics (ECON), 200–202
degree requirements, 199
faculty, 198
minor, requirements for, 199
objectives, 198
prelaw program in economics, 200
(see also under Liberal Arts and Social Sciences, College of)

Education, College of, 125–136
accreditation, 125
administration, 125
certification, 126–128, 131–132
courses
art education (ARED), 129
curriculum and instruction (CUIN), 129
education (EDUC), 128
educational psychology (EPSY), 131
elementary education (ELED), 129–130
health (HLT), 134
human development and family studies (HDFS), 132
kinesiology (KIN), 134–135
nutrition (NUTR), 135
physical education basic instruction program (PEB), 134
reading (READ), 128
secondary education (SEDE), 130
cultural and urban (CUST), 130

Curriculum and Instruction, Department of, 129–130
degree requirements, 125
degrees offered, 125

Educational Leadership and Cultural Studies, Department of, 130

Educational Psychology, Department of, 130–132

faculty, 129, 130, 132
Health and Human Performance Department of, 132–136

courses:
health (HLT), 134
physical education basic instruction (PEB), 134
kinesiology (KIN), 134
nutrition (NUTR), 135
minors in education, 126
teacher certification programs, 126
telephone numbers, 125

Educational Leadership and Cultural Studies, Department of, 130

faculty, 130
(see also under Education, College of)

Educational Psychology, Department of, 130–132

courses:
educational psychology (EPSY), 131
human development and family studies (HDFS), 132
faculty, 130
(see also under Education, College of)

Electrical and Computing Engineering, Department of, 147–151

courses, electrical and computer engineering (ECE), 149–151
faculty, 147
suggested program, electrical engineering, 147–148
suggested program, computer engineering, 148–149

(see also under Engineering, Cullen College of)

Employment

Cooperative Education Program, 51
on-campus employment, 47
work-study program, 47

Engineering, Cullen College of, 137–155

accreditation, 138
admission, 19, 20
administration, 137
advanced placement, 141
Bachelor of Science degree, 142
Biomedical Engineering, 154
Cooperative Education Program, 141
core curriculum requirements, 142
course load, 141
courses
chemical engineering (CHEE), 144–145
civil engineering (CIVE), 146
electrical and computer engineering (ECE), 149–151
engineering (ENGI), 142
industrial engineering (INDE), 152–153
mechanical engineering (MECE), 154–155

dean's list, 141
degree requirements, 141–142
degree programs, 141
departments
chemical engineering, 143–145
civil and environmental engineering, 145–146
electrical and computer engineering, 147–151
industrial engineering, 151–153

mechanical engineering, 153–155
facilities, 138
fields of study, 138–141
objectives of the college, 137
PROMES (Program for Mastery in Engineering Studies), 141
scholarships, 138
societies, 137–138
student organizations, 138
telephone numbers, 137

Engineering Technologies, Department of, 295–303

accreditation, 291
courses: construction (CNST), 300
electrical-electronics technology (ELET), 300–302
mechanical technology (MECT), 302–303
faculty, 295
minors, 299
requirements for majors:
construction management technology, 296
construction management technology-surveying and mapping, 296
computer engineering technology, 297
electrical power technology, 298
mechanical technology, 299
(see also under Technology, College of)

English, Department of, 202–206

advanced degrees offered, 203
courses: English (ENGL), 203–206
degree requirements:
concentration in creative writing, 202–203
concentration in linguistics, 202
concentration in literature, 202
faculty, 202
Language and Culture Center, 50–51, 203
minor in English, 203

(see also under Liberal Arts and Social Sciences, College of)

English placement exams

PENNSE (non-native English speakers), 33, 34

Environmental Systems and Modeling,
courses: environmental sciences (ENVS), 255–256

Exam, credit by, 29–32

Exams

English placement exams (PENNSE), 33–34

final, 61

foreign language “place out” exam, 32

mathematics placement exam, 33

“placing out” (without credit), 32–33

political science policy, 75

qualifying (without credit), 32

TASP, 21–22

TOEFL, 26, 34

within semester, 61

F

Faculty members (see also under individual department or college), 315

Faculty and dependents, tuition for, 42

Fees, 39–44

concurrent enrollment fee, 43

course auditing, 40

exemptions and waivers from fees, 41–42

Houstonian (yearbook), 40

installment payment plans, 40–41

laboratory fees, 39

Language and Culture Center, 39

parking, 39

refund of fees, 42

room and board, 40

Film Studies, 191–192
 Final examinations, 61
Finance, Department of, 113–114
 courses: finance (FINA), 114
 faculty, 113
 requirements, 114
 (see also under Bauer College of Business)
 Financial aid, 45–48
 academic progress standards, 47
 appeals, 48
 application procedures, 45
 eligibility, 45
 employment on campus, 47
 grants, 46
 loans, 46
 Office of Scholarships and Financial Aid, 45
 reinstatement of eligibility, 48
 repayment, 47
 revision and cancellation of aid, 47
 scholarships, 45–46
 work-study program, 47
 Foreign language study (see specific language, see also Liberal Arts and Social Sciences, College of, and Modern and Classical Languages, Department of)
 Foreign study, 49
 Forgiven grades policy, 61
 Formal sciences courses (definition), 70–71
 Former student (definition), 25
 reentry policy, 25
 French, 214–215, 217, 219–221
 Bachelor of Arts degree, 215
 requirements, 215
 courses: French (FREN), 219–221
 faculty, 214–215
 minor in French, 217
 minor in French for business-related professions, 217
 study program in France, 214
 (see also under Modern and Classical Languages, Department of)
 Freshman hours (GPA requirement), 58
 Full-time student status, 58

G

Gallery, Sarah Campbell Blaffer, 81
 General degree requirements, 70
 Geography, 206
 courses in geography, 206
 (see also under Liberal Arts and Social Sciences, College of)
 Geology (see Geosciences, Department of, and Physics, Department of)
 Geophysics (see Geosciences, Department of, and Physics, Department of)
Geosciences, Department of, 267–272
 Bachelor of Science degree in geology
 requirements, 267–268
 suggested program, 268
 Bachelor of Science degree in geophysics
 requirements, 267–268
 suggested program, 269
 courses: geology (GEOL), 270–272
 departmental requirements, 267
 faculty, 267
 minor in geology, requirements for, 267–268
 minor in geophysics, requirements for, 268
 (see also under Natural Sciences and Mathematics, College of)

requirements, 215–216
 courses: German (GERM), 221–222
 faculty, 214–215
 German area studies, 216
 (see also under Modern and Classical Languages, Department of)
