This form should be submitted to the Honors College Student Services office in order to receive Honors credit for a course that has ***not*** been flagged as an "H" course in the University computer. (Flagged courses carry a footnote in the University's *Class Schedule* and are marked with an "H" in the *Honors Coursebook*.)

This petition must be competed and submitted to the Honors College office within the ***first three weeks of the semester.*** **All coursework should be completed during the semester in which the course is petitioned.** Two weeks before the end of the semester, the Honors College will contact the instructor to verify that the course work and the special project have been completed.

NOTE TO INSTRUCTOR:** If an unflagged course is listed in the Honors Coursebook, the Honors College does not ***require completion of an extra project.
