ABOUT US

Revived Glory Awards supplies a vast selection of recognition products with custom-engraving. We work closely with our customers and assist them in selecting the best items to accomplish their goals. Our company provides jobs for people with disabilities as they work in design, assembly, and logistics. It is our corporate responsibility to improve the environmental impact of old awards and we provide an awards recycling program to reuse/repurpose donated trophies.

Why Choose Revived Glory Awards?

- Long-term relationships with diverse customer base; corporate, educational, non-profit, religious communities and general public
- Proven provider for all types of recognitions
- Close collaboration with customers
- Quick turnaround of top-quality awards
- Approved vendor for UH with graphic standards and fonts

CAPABILITY STATEMENT

CORE COMPETENCIES

- TRAINING - safety training, quality audits, end-user program utilization, procedure material translation, warehouse safety, etc.

- DISPUTE RESOLUTION/MEDIATION* - small claims, business related, family court, evictions, contract disputes, etc.

- MOBILE/ON-SITE/VIRTUAL SUPPORT - filings, invoicing, queries, event planning/scheduling, back-office management, correspondence, project specific material, spreadsheets, presentation material, business plans, etc.

* Mediation Certification - University of Houston Law Center

DIFFERENTIATORS

Personal Assistant Small Business Service Center is a hybrid concept combining the convenience of Virtual Assistant operations with the personal interface of in-house staff. Our mobility allows us to work from our location or meet clients at their locations, if required. The personal interaction provides our clients reassurance that once placed in our hands, their responsibilities will be managed. Having no employee to supervise provides them the flexibility to better manage their time and priorities to create, without the distractions of running a business.

PAST PERFORMANCE

- Texas Mediator Credentialing Association
- Abrams / Newhouse Competition, Judge
- American Association of Notaries
- City of Houston / Hurricane Harvey Recovery Project Subcontractor
- Retention and Records Management, Dept Mgr
- OG&C Supervisory Program Certification
- City of New Orleans Entrepreneur of the Quarter

CERTIFICATIONS

- SBA—WOSB  SBA—WOB  SBA—MOB  SBA—HUB
- OSHA 10hr/30hr certified

VCS currently has contracts with local and state government agencies as well as publically traded companies across the nation. The amounts of the above mentioned contracts range from $4K to $1M per year.

- 100% of all our requests are filled using on-site or remote access.
- We provide un-parallel customer service.
Capability Statement

Core Competencies

Infodat has been delivering value based IT and security solutions for over 20 years. We have helped mid and enterprise organizations to drive out costs, improve customer experience and to develop ecosystems to support strategic objectives

- Development – Web and mobile apps, SharePoint, SQL Server, Oracle, .NET, JavaScript, Python, etc.
- Data Services - BI, machine learning, predictive analytics, IoT, data consolidation and cleansing, etc.
- Cybersecurity – Endpoint, boundary, network protection, threat intelligence, managed SOC, etc.
- Application Modernization – DevOps, API development, Azure, AWS cloud migration, etc.

Past Performance

Cardinal Health (Mar 2012 – Present)
Build and maintain a HIPAA compliant data warehouse and reporting application that parses claims and reimbursement (Forms 837 and 835) data received from more than 600 Oncology & RA and Urology practices, transform the data and load it into the data warehouse.

Chevron (Jun 2012 – Present)
Customize and support Energy Components to enable tracking, inventory and reporting of hydrocarbon assets through the entire supply chain.

Hoover Ferguson Container (Jan 2013 – Present)
Build and maintain Liquitrac, a multi-tenant online portal to monitor tank levels and track assets using GPS Tracking system from multiple sources like APG, Numerex, Avid and Lasso.

PSC (Mar 2013 – Present)
Modernize the legacy Loss Prevention System (LPS) using SharePoint and MS SQL and develop a mobile application. Losses have been reduced because LPS users can now report incidents at the time it’s observed rather than after the fact.

Differentiators

- Considerable past performance solving complex problems in distributed ecosystems
- Focus on delivering value to customers
- Broad set of technology skills
  - Application development
  - Cybersecurity
  - ETL, BI, predictive analytics, machine learning, dashboards, reporting, etc.
  - Cloud enablement, AWS, Azure
  - Industrial IoT
- Microsoft Gold Partner
- HUB Certified in the State of Texas

Experience

- Strong leadership team
- Certified practitioners
- High level of customer retention
- Familiar with standards like HIPAA, NERC CIP, NIST, PCI, etc.
- Track record of working with leading edge technologies

Performance

- Demonstrated track record of working with distributed organizations
- Reputation for delivering projects on time and budget

Executive Summary

Innovative Global Solutions, LLC is a small minority woman owned business located in Katy, Texas. In February of 1997, Innovative Global Solutions, LLC (IGS) was established bringing over twenty years of service in the field of facility management and satellite telecommunications to the nascent, converging markets. IGS was formulated as a small woman owned business and continues to be a driving force in the marketplace. IGS offers the responsiveness and dedication of a small consulting business while providing the strength and resources of a large company.

Businesses rely on IGS to help them stay competitive and productive while also keeping their data safe and secure. IGS has the following capabilities:

- Enhanced Productivity
- Meet Business Goals
- Improve Efficiency
- Simplify Technology
- Gain Peace of Mind
- Extend IT Resources and Expertise

**IGS CORE COMPETENCIES**

- **Data and Internet**: Fiber/Ethernet/MPLS-VPN/Dedicated Internet
Who is PTG?

Precision Task Group (PTG) is a minority-owned and managed technology firm. PTG has been a trusted partner to clients with various technical and business solutions in the areas of Safety and Security, ERP, and Cyber and Cloud Solutions. PTG is nationally certified as a Minority Business Entity (MBE) and has diversity certifications in various cities and states.

- Custom Application Development

RY2’s consultants possess relevant skills, experience and subject matter expertise which generates creative solutions to complex business problems. Our implementation approach on every engagement is always collaborative and ends with the appropriate transfer of knowledge, skills and competence. The approach on all engagements is the following:

- **Discovery**
  - data collection
  - information exchange
- **Collaboration**
  - analysis
  - initial feedback
- **Action Planning**
  - solution definition
  - recommendations
- **Implement**
  - execution
  - manage & enable change
- **Knowledge Transfer**
  - transfer skills
  - extend competence

RY2 Solutions is Houston based, a certified Minority Business Enterprise (MBE) through the City of Houston and the Houston Minority Supplier Diversity Council (HMSDC), certified as a Small Business Enterprise (SBE) through METRO, HUB certified with the State of Texas and selected as a Business Connect Supplier for Houston Super Bowl LI in 2017.

Veterans First Medical Supply, LLC
Service Disabled Veteran Owned Small Business

Jody Allen – Owner, 14405 Walters Road, Suite 806, Houston, TX 77014
Cell# 936-270-9930   Fax# 936-570-1928

CAPABILITY STATEMENT:

Introduction

Veterans First Medical Supply, LLC is a Service Disabled Veteran Owned Small Business (SDVOSB), established in January 2017. The business is located within a HUB Zone of NW Houston, TX. Owner of the company has over 10 years of experience providing medical equipment to VA patients. Our service includes the home delivery, set-up and instructions to the patient and caregivers. We are uniquely positioned to meet and exceed the needs of veterans in VISN 16 and VISN 17. Our only business is with the Veterans Administration; therefore, we are 100% focused on providing Veterans with the best care possible in their home.

Core Competencies

Veterans First Medical Supply provides sequential compression pumps and garments that treat numerous chronic conditions. We offer both venous and arterial products as an essential medical device, necessary for the conservative non-invasive treatment of the following conditions -

- CVI chronic venous insufficiency
- Lymphedema, venous edema
- Stasis dermatitis, stasis ulcers
- Prevention of cellulitis
- Edema secondary to cancer treatment
- PAD Peripheral Arterial Disease
- Intermittent Claudication
- Prevention of Amputation
- Diabetic foot ulcers
- Limb Salvage
- EVCI Edema secondary to cancer treatment
- CVI chronic venous insufficiency
- Lymphedema, venous edema
- Stasis dermatitis, stasis ulcers
- Prevention of cellulitis
- Edema secondary to cancer treatment
- PAD Peripheral Arterial Disease
- Intermittent Claudication
- Prevention of Amputation
- Diabetic foot ulcers
- Limb Salvage

Differentiators:

- SDVOSB Verified, 100% Service Disabled Veteran Owned Small Business
- 10 years’ experience providing compression therapy products to the VA
- Products are all designed and manufactured in the USA
- Letter of supply from a major US manufacturer of compression therapy equip.
- Delivery of equipment direct to patient’s home
- One-on-one instruction of products with patient and caregivers
- Reasonably priced significantly below our competition
- Cost savings are significant for each VA facility

J.Tyler Services, Inc. | a Full Service Furniture Dealer
Profile + Capabilities Statement
We make your workplace work!

About Us
Bigger and stronger than ever, J.Tyler was founded in Houston, Texas in 1982 to address the demand in the market for high quality office furnishings, installation, project management, and commercial furniture management services.

What We Do
J.Tyler is a leader in assisting customers in developing efficient environments and supplying appropriate furniture products and systems to meet performance requirements based on a university’s culture. We are focused on value driven solutions, whether the customer desires high image or budget driven designs. Through our lead manufacturers, we focus on trends in Higher Education, disseminating that information to facilities, staff, and faculty. As pedagogies evolve, we pride ourselves on marrying the end user needs with adaptable, timeless solutions that will hold up to the rigors of a changing classroom dynamic.

J.Tyler is proud to have the finest staff of project managers, designers, installation supervisors and technicians with 36 years of industry experience. We are well equipped to deliver a successful project and on-going services.

THE COMPANY

Absolute Color is a family-owned commercial printing company in Houston, Texas. We believe that all jobs begin with building a strong relationship with our customers and because of this approach, you will understand why Absolute Color has been the best kept secret in Houston. Rather than hoarding every print job available, Absolute Color prefers to treat each one of its customers as part of our close knit family.

Paying attention to detail in every aspect of the production line ensures total customer satisfaction from beginning to end. Absolute Color is more than just a printing company, we are a one-stop-shop for all your printing, fulfillment and signage needs - big or small, we are here to serve and make you feel like family.

With more than 30 years of printing experience as a cornerstone of our business, Absolute Color has been trusted by Fortune 500 Companies worldwide for all their printed collateral. Our 30,000 square-foot Houston printing facility and state-of-the art printing technologies deliver award-winning quality and services to all our clients in the Houston area and around the globe.

Absolute Color invests in the right people, equipment and technology to ensure we meet our client’s expectations for high-end printing. We believe that if we can provide a state-of-the-art printing facility to accommodate our client’s projects, we can continue to uphold our commitment to Top Quality, Top Service and Exceptional Value.

Bakers' Signs is a full-service sign company that has been serving Texas since 1984. We have worked with Sign Companies throughout the state as well as nationally from the very beginning. We are also a full-service electrical company which enables us to handle all of our clients’ signage and lighting needs.

The trust and confidence we receive from our many clients in the sign industry is what has built our company over the past 12 decades and led to constant and continual growth. It is the trust in our professionalism and quality of work that has kept our clients with us for years and even decades.

Nearly every member of our team is a veteran of the sign industry, who bring their expertise and special skills to each and every project. We can assist you with installations of signs or even fabricate an entire project at our facility in addition to inspecting and servicing the final product.

How can we help you?

Installation

Installation is just another crucial step to completing your sign project. Our company specializes in sign installations with all of the necessary equipment and personnel necessary to get the job done quickly and right the first time. Many national and local companies rely on Bakers’ Signs for their installation projects in this region.

Whether you need a sign manufactured and installed or already have a sign in need of installation, we can help you get the job done.

Maintenance

We are a full-service electrical company with crews that are consistently on call to ensure we are able to take care of all of our customers with expertise. Our crew trucks can reach up to an overall height of 100’ making any sign accessible. We pride ourselves in servicing all calls in a timely manner and if an emergency arises we are able to assist you immediately. Maintenance services we provide include:

- Sign Maintenance
- Electrical Maintenance
- Sign Face Cleaning
- Structure/Pole Painting
- Sign Maintenance
- Sign Paint
- Lighting Repair Inc. Leaner
- Mark Replacements
- Pole & Vinyl Replacement
- Neon to LED Conversions
- Cloud & Forest Changes
- Parking & Security Lights

Manufacturing

At Bakers’ Signs, we know that if we can do it better, we can probably do it cheaper. This philosophy is passed on to our clients and has enabled us to be one of the largest sign service providers in the region in addition to one of the most affordable.

We own 35 acres just south of Houston with an ever-expanding set of facilities and a yard that can accommodate projects of any size. We have recently added a 46,000 sq. ft. fabrication shop which includes a box crane and 7,000 sq. ft. sheet metal that enable our current facilities to 35,000 sq. ft. with advanced equipment that enables each aspect of our business to be more efficient and cost the lowest possible.

- Never a charge for rush projects
- Free pick-up & delivery
- Secure facility; the confidentiality of your documents is protected
- Trained, experienced Sales & Customer Service Representatives
Statement of Capabilities

Overview
For over 29 years, COMPU-DATA International (CDI) has helped companies and organizations gain control of their critical data. We specialize in the capture, index, search, and retrieval of data from all sources from within your business. Adding in process automation and integration, as well as data security, rounds out CDI’s core service offerings.

Our Mission: Empower users to access information instantly and without barriers to uncover knowledge through technology.

Capture
We’re in the era of Data Chaos: businesses today are dealing with an exponential growth of data. Not only are there still vast amounts of paper documents that need to be converted into business-critical information, there’s also an influx of digital documents coming to you in various formats and from multiple sources.

Implement the finest centralized & distributed capture solutions. Capturing data to support your business is a critical function. Paper is not going away any time soon. You have forms, documents, records and much more. Kodak Alaris scanners and software makes your digital transformation a success by streamlining the process of transforming paper into information.

Automate & Integrate
Business information is vast and varied: living in emails, letters, invoices, and more. Gaining control of your business processes is a challenge. Manual systems are cumbersome and prone to errors. With our Business Process Automation technology, you will enforce policies and rules automatically. While some solutions only handle certain types of business information, our solutions can effectively deliver across the enterprise.

Versatile Workflow Product and Integration Solutions. Your business processes must be automated and integrated to your data allowing you to enforce your policies and procedures.

Manage, Search & Retrieve
Extensive Array of Standard Features to Manage your data. Virtual FileRoom™ is a powerful information management application that sits at the core of the DAF Platform, providing a rich feature set.

As a commercial, off-the-shelf (COTS) Content Management product, it delivers information management functions to support all digital files. Out-of-the-box, VFR provides administration, search and retrieval, collaboration functionality, reporting and audit trails of your data and is easily integrated into any business process.
