Why is my updated bank information not showing to vendor team? And what do I need to do if updated bank information is not showing to vendor team?

Part 1.

If your updated bank information is not showing to the vendor team that is because your bank account is not linked to the vendor number.

Part 2:

If your updated bank information is not showing to the vendor team, please follow the steps below:

1. You would need to click the edit button next to the bank account you want.

PaymentWorks - Jin zhang, Jin zhang
