UNIVERSITY of HOUSTON

University of Houston Office of Admissions

Academic Fresh Start Program

This form is to be used for any new or returning UH undergraduate students who wish to be admitted or readmitted under the Academic Fresh Start program.

Under the provisions of the Texas Education Code, a Texas resident applying to the University of Houston may elect to have all academic coursework ignored for admission purposes if it was earned ten (10) or more years prior to the semester of application. This coursework will not be considered for course credit and will not be used to compute the student's grade point average from the University of Houston.

The Academic Fresh Start Program is open to current Texas residents who have applied to the University of Houston with all the necessary credentials submitted to the Office of Admissions by the appropriate deadline.

Official transcripts from all colleges attended, including transcripts which include all coursework completed ten (10) or more years ago, must be sent to the University of Houston. However, students choosing Academic Fresh Start must meet current admission requirements with course work taken within the past ten years.

Students that hold a bachelor's degree are not eligible to be reviewed for admission under Academic Fresh Start.

Please complete and return the attached Academic Fresh Start Acknowledgment form to:
