FRESHMAN ADMISSIONS APPEAL FORM

Freshman applicants to the University of Houston who do not meet regular admission requirements may request further consideration by submitting information which demonstrates their potential for academic success at the university. Students are encouraged to appeal only if their academic credentials (test scores and/or grades) have changed significantly or if they wish to provide additional information that further explains personal circumstances that may have affected their ability to meet admissions requirements.

ALL appeal applicants are required to submit all the following documents to the Office of Admissions:

- Admissions Appeal Form
- Personal Statement (The statement should include information explaining why the student should be considered for admission and the supplemental factor(s) that form the basis of his/her request.)
- Letters of Support (At least two letters of support from school counselors, teachers, and/or personal references who can confirm that there is reasonable evidence that the student can succeed academically at the University of Houston. Please do not include letters from immediate family members.)
- At least TWO SAT or ACT scores (scores must be submitted electronically through College Board or ACT)
- Updated Official High School Transcript (Should include grades from most recently completed semester)
- Resume List of employment, volunteer hours, extracurricular activities, talents and awards
- Official College Transcript (only for students earning dual credit for college courses in high school)

Applicants may also provide any additional documents that they feel will help support their appeal. Appeal applicants must have already received an admission decision from the University of Houston. Requests for individual review from applicants that have not received a decision will not be processed. Those who fail to include any of the required materials above will be contacted and required to turn in all documentation in order to receive a decision from the Appeals Committee. Applicants are encouraged to turn in all appeal documentation together, but items may be submitted separately. Students on a visa with foreign coursework only (International Students) are not eligible for Admission Appeal review. Graduate students are not eligible for Admission Appeal review.
