

Governor's Biennial State Budget for the 2018-2019 Biennium
released January 2017

The Governor's Budget Summary for FY2016-FY2017 (linked below) provides discussion of several initiatives that will impact Texas higher education general academic institutions.

Initiatives that could impact the UH System include:

- Controlling the Cost of Higher Education by Reducing Administrative Costs and Addressing Special Items
- Constraining Higher Education Administrative Costs While Maintaining Excellence
