Environmental Club at UH General Meeting: April 14, 2009

Today's Meeting:

- Overview of Events
- Officer Information. We will be emailing you information. We need your participation to keep the club going strong.
- Reminders: Get your T-shirts and make crafts for Eco-Mart!
- Speaker: Dr. Blaine Cole, a Biology professor at UH. He teaches the undergraduate Animal Behavior course. His research combines a long-term ecological study of the desert harvester ant, *Pogonomyrmex occidentalis*, population with detailed analysis of the ecology, genetics, and reproductive biology.

Earth Week

- **Hemp Day- Monday @ PGH 11-2pm**
 - **In collaboration with SSDP, we are tabling to inform the student body on the benefits of hemp as a resource. Please tell us if you can help.**
- **Yoga at the Fountains- Tuesday**
 - **Come join us for a free yoga session at the Cullen Fountains. If you have your own mat, bring it!**
- **Earth Day- Wednesday**
 - **Eco Mart @ PGH- We will be selling handmade crafts and vegan and organic treats! Please come by, help us run the sale and/or make/bake things.**
 - **Earth Day Carnival @ Butler Plaza (in front of library)**
 - **Earth Day Games 11-2 pm-** Join in on the Earth Day fun with games
 - **Get Active in Green Tabling 11-2 pm-** Learn more about how you can become active in the green community and on campus! Free seedlings give-away.
 - **Sustainable Dining Tabling 11-2 pm-** Learn what the school is doing to go green in the dining arena
 - **Envelope Ceremony 12:00-12:30 pm** – Come see the school's administration reveal our overall scores in the nationwide Recyclemania competition
 - **Balloon Launch 12:30 pm-** See how scientists obtain data from the atmosphere.
 - **Electric Car Rides 12:30-1:30 pm @ UC-** Test out a green ride
 - **Plant Vegetables 12:30- 1:30 pm @ Moody Towers Garden-** Contribute to our school's own produce garden
 - **City of Houston Environmental Conference 7pm @ Rockwell Pavilion**
 - This event is all about engaging a diverse array of community members and connecting them with local government officials. Learn about what you can do to lower your energy bill and engage in action. RSVP at ryan.foshee@iclei.org
- **"The Planet" @ Edwards Theatre 7:15 pm**
 - We will have a social outing to see this great movie from the same people who created Planet Earth. We also won free pizza from Ruggles from the Earth Day 5k, so we will be going to Ruggles beforehand. Email us if you can make it to have a rough headcount.

Field Trip- May 2nd 12-2pm

- Trash is instilled in our lifestyle, yet it remains such an unseen facet. Come join us on a visit to a landfill. Meet at school at 11:30 am to carpool
