East Parking Garage Update and Parking Displacement

The new East Parking Garage is under way and is expected to be complete in Fall 2009. This new garage will help alleviate many of the parking issues that currently occur on campus. Due to the new garage construction parking on the east side of campus will be stressed this semester. We ask that you please make alternate parking arrangements until the project is complete.

Alternate Parking Areas:

Parking Lots 4A, 8A, 9C, 12A and TSU S3 (located off Rosewood). [See map](#)

Please note that during the first week of the Spring Semester Officers will be posted at designated areas (Lots 1A, 4A and 20A) to assist with directing individuals to the alternate parking lots.

Only citations for "NO PERMIT" violations will be waived for student lots through January 30, 2009 and will resume on February 2, 2009. All other violations will be enforced as normal as will Faculty/Staff lots and Resident Hall Exclusive Lots.
