DPS and Cougar First Impressions

This year at Cougar First Impressions there will be one more table added to help support the students during the first two days of school. The Department of Public Safety will be hosting a table as part of Cougar First Impressions near the Welcome Center at Entrance 1. Students will be able to come up and visit our personnel to obtain any information on safety measures and ask questions about the safety and security of the campus. Not only will the DPS staff be providing information on safety and security they will also be able to provide the same campus information as the other CFI tables on campus. If you are a student, faculty member or staff member, please stop by and we will be ready to talk safety.
