### OUTCOME OF THE UNIVERSITY SERVICES JOB FAIR

Houston, August 5, 2009–

University Services held a Job Fair for students in the Cougar Den on August 5<sup>th</sup> from 9-2 P.M. About 15 students eagerly awaited the job fair to open its doors. Representatives were on site from University Services, University Bookstore, Campus Dining, and University Copy Center. Students completed applications and conversed with representatives on job responsibilities and opportunities. The Fair was a big success not only for students, but the staff also.

“It was indeed an awesome Job Fair. We interviewed 65 applicants and found many of them as excellent candidates for the UH Dining Services. I personally like to express my thanks to Maria Honey and the organizing committee for such a great recruiting experience. I hope we will have University Job Fairs before every fall semester from now on.” said Syed Husain

Students that filled out applications on site were informed that they would be notified in the weeks following. Many walked out with smiles on their faces for knowing that they had exceeded the expectations of the interviewer.

“The job fair was a big success for us. We had over 85 student applicants submit their application of employment on Wednesday. We will be following up this week with many outstanding candidates for temporary positions available in the bookstore.” said Felix Robinson, General Manager of UH Bookstores
