DEAN RUCK AWARDED CITATION OF HONOR BY TEXAS SOCIETY OF ARCHITECTS

Dean Ruck is a recent recipient of the 2009 Texas Society of Architects Citation of Honor-Artisan Award. The luncheon ceremony was held October 24th during the 70th Annual TSA Convention at the George R. Brown Convention Center in Houston. The award was presented to Ruck and his collaborator Dan Havel for their ongoing “architectural euthanasia” projects such as “Inversion” and “Give and Take” (featured in the Contemporary Arts Museum “No Zoning” exhibit this past summer). Ruck serves as a Senior Project Manager in Facilities Planning and Construction where he manages projects such as Calhoun Lofts Art, Valenti School of Communication Expansion, and the UH-Clear Lake Arbor Building.
