GREEN UH ON THE PROWL TO CATCH YOU RECYCLING

Houston, February 17, 2011 – Watch out Coogs because you may get “Caught Green Handed” next week! Green UH team will be out on campus Feb. 22 and 23 to award students caught in the act of recycling from 10 a.m. - 11 a.m. and 1 p.m. - 2 p.m.

“Green UH is putting on the Caught Green Handed event to reward students for recycling. We want to promote and encourage all UH students to recycle and what better way than to reward them with a $25 gift card,” said Billy Garner, program coordinator for University Services.

The event is part of RecycleMania to promote green initiatives and recycling on campus. Each day, the team will pass out coupons with a green code to those students they find recycling on campus. The codes can be entered on the Green UH or RecycleMania website for a chance to win a $25 Barnes and Noble gift card. One person per day will be chosen.

For more information about RecycleMania, visit www.uh.edu/recyclemania. To enter your green code, go to http://www.uh.edu/af/greenUH/caughtgreen.htm.

About the University of Houston

The University of Houston is a comprehensive national research institution serving the globally competitive Houston and Gulf Coast Region by providing world-class faculty, experiential learning and strategic industry partnerships. UH serves more than 38,500 students in the nation’s fourth-largest city, located in the most ethnically and culturally diverse region of the country.
