Cougar Village II Construction Affects Lot 6B

Houston, Texas, August 10, 2012- Beginning Saturday, August 11, 2012 at 6 a.m., a section of Lot 6B will be temporarily closed due to construction activities at Cougar Village II. The south side of Lot 6B will be excavated to connect to the underground utility tunnel. The affected area will be fenced as part of the CV II construction site for the duration of the work. A portion of the lot will be unavailable for parking and the sidewalk at the south side of Lot 6B will be closed. All affected parkers have been notified by email of the parking impact and alternate parking location by Parking and Transportation Services. Alternate parking will be available in Lot 6A. Once the work is completed, the parking lot and sidewalk will be put back in the same configuration as currently exists. Anticipated completion is October 22, 2012. Please see the below drawing for affected areas.

For construction-related inquiries, please contact Dean Ruck, FPC Senior Project Manager, at druck@uh.edu or by phone at 713-743-8030. For parking-related inquiries, please contact UH Parking and Transportation at 832-842-1097 or by email at parking@uh.edu. For more construction project information, please visit the Facilities Planning and Construction website at http://www.uh.edu/plantops/departments/fpc/ or visit our Facebook page at http://www.facebook.com/UniversityOfHoustonPlantOperations.
