CULLEN BOULEVARD SIDEWALK & TRAFFIC LANE CLOSURE

Houston, Texas, Monday, March 26, 2012 – From Wednesday, March 28 through Saturday, April 14, 2012, there will be a sidewalk closure along the west side of Cullen Boulevard between Wheeler Avenue and Cougar Place. This is to construct a sanitary sewer line in front of the Cougar Place Sophomore Housing Project. Construction activity will include the removal of a section of sidewalk, boring, installation of a sanitary sewer line, and reconstruction of the sidewalk. Temporary and intermittent lane closures on the west side of Cullen Boulevard may also be required for short periods of time for the delivery of construction equipment and concrete placement.

Please contact Maggie Manley, Project Manager, if you have any questions related to this project at mdmanle2@central.uh.edu or by phone at 713-743-9003.

About the University of Houston

The University of Houston is a comprehensive national research institution serving the globally competitive Houston and Gulf Coast Region by providing world-class faculty, experiential learning and strategic industry partnerships. UH serves more than 38,500 students in the nation’s fourth-largest city, located in the most ethnically and culturally diverse region of the country.
