SUSHIC, MONTAGUE’S DELI FIND NEW HOMES IN UC SATELLITE

Houston, June 4, 2012 – Beginning today, June 4, Sushic is open in the UC Satellite, having moved from its prior location in the now-closed University Center.

Sushic now occupies the space that Montague’s Deli used to claim. Cranberry Farms, the barbecue concept in the UC Satellite, has been removed and Montague’s is moving into that space for the fall semester. Montague’s will offer a revamped menu in the new space, keeping the old favorites and rotating out a different “Signature Sandwich” each week.

Stay tuned to our Facebook page for more updates on openings and movings as the construction around campus continues!
