COLLEGE OF PHARMACY Updated FY 2018

Receipts, Custody and Deposit of University of Houston Funds

I. GENERAL STATEMENT AND DEFINITIONS:

The College of Pharmacy is a substantial sized college where procedures for the handling of cash are in place to ensure accountability for all funds. Every cost center in the college is reconciled on a monthly basis in alignment with generally accepted MAPP policy rules and internal controls. The procedures are in place to provide staff with guidelines by which to operate and ensure fee revenues are appropriately categorized. The college's Cash Handling policy and Baseline Standards policy may also be found on University of Houston's Finance web site at: <http://www.uh.edu/af/survival/Finance/CashHandling12.htm>

DEFINITION OF CASH: In accordance with MAPP 05.01.01, the term 'cash' includes all forms of payment, including US and foreign currency (dollars and coins), checks, travelers' checks, money orders, credit card and debit card charges, and wire transfers. In short, anything that may be presented to a bank for payment. *Note:* While some forms of cash are obviously more sensitive to improper handling, it is important to keep in mind that the policy does not make a distinction when specifying the requirements for its processing with the exception of foreign drafts.

ENVIRONMENT FOR THEFT: When three elements are present, theft is imminent: A need, an opportunity, and a character flaw. When a good employee is confronted with a stressful financial or personal situation and control over cash is poor, the risk of theft is high. Employees have an obligation to report any suspected theft, fraud, embezzlement, or any other irregularity causing a loss of cash. Employees who are aware of criminal activity and fail to report it may be subject to disciplinary action. Employees are required to cooperate with any police or audit investigation, and they may be requested to keep their knowledge of the investigation confidential. The College of Pharmacy has ensured that the proper separation of duties exists. The person who has custody of funds is not the same person who has approval or reconciliation responsibility. All cash and cash receipts should be physically safeguarded in a secured area and remain locked until deposited.

AUTHORITY TO RECEIVE PAYMENTS: An employee authorized by the business manager should be the only person accepting cash. A department must begin its compliance with the policy before a payment is presented, by knowing which individuals in the department are authorized to handle cash and for what purpose. Authorization to handle cash is documented when the prospective custodian reviews and signs the "Acknowledgment of Receipt of Funds and Cash Policies and Procedures." This form is Addendum A of the Cash Handling policy and is updated yearly. The original document is filed in the Treasurer's Office; copies are kept in General Accounting and with the department's financial records.

ACCEPTING CHECKS/CREDIT CARDS: All checks or other negotiable currency should be made payable to the University of Houston and must be sent to the CBO immediately for processing. The UH has specific procedures addressing credit card transactions which are covered later in this document.
