This is an internal form that will be used by the designated depositor in the SBDC Business Office to create a Journal Entry (JE) in PeopleSoft. The JERF will be completed by SBDC departments as follows for the each revenue type:

	<b>Revenue type</b>	<b>Coastal Plains SBDC</b>	<b>Research Valley SBDC</b>	<b>Ft. Bend SBDC</b>	<b>Galveston Co. SBDC</b>	<b>PTAC</b>	<b>SBDC Region RBO</b>	<b>Region Training</b>
1	Training revenues for events held on or off site for seminars registered through websites or limited POS payments.	√	√	√	√	√		√
2	Room rentals NOT invoiced by the SBDC RBO.	NA	NA	NA	√	NA		√
3	Custom training revenues resulting from a contract executed through the SBDC RBO (but not invoiced).	√	√	√	√	√		√

- B. The department will print the Event Sales Analysis Report from the SBDC website event database for the previous workday’s sales activity. This report will be used to prepare the JERF. Payments received for rentals or custom training will not be on the Event Sales Analysis Report but may be included on the same JERF with website sales activity and POS training fees sales activity.
- C. A hand written receipt from an authorized SBDC receipt book must be generated by the responsible department and mailed or emailed to the payer for payments for services *other than* those processed through the website or payment toward an on-line class or event registration. This would be for services for things NOT entered as individual registrations in XCatalyst. Examples: room rental payments, custom workshops or some special events, sponsor payments.
- D. For partner match payments received by Research Valley and Coastal Plains, there will be no computer-generated receipt or invoice; an invoice will only be generated at the request from the agency, for their internal records. Those payments are sent automatically by each agency after which, a handwritten receipt is sent to the agency by the SBDC RBO.
- E. The responsible department will complete the JERF as follows:
1. Enter the date prepared, then name and extension of the person preparing the JERF.
  2. The effective date is the same as the date prepared. The department is always H0053 (designates the SBDC).
  3. The description should contain the unit name (i.e., Training, Ft. Bend, PTAC, Galveston Co., etc), and the nature of the revenues – training fees, rental fees, sponsorship, etc.
  4. The justification should contain:
    - a) Totals by credit card type (AMEX, V/MC, and DISC), with detail of seminar number totals within each card type.
    - b) Total of room rental revenue, total for custom training revenue.
    - c) Total refund amount, with the original depositing JE entered in PeopleSoft (PS) referenced. A copy of the JE entered in PS can be obtained from the SBDC RBO.
  5. Then beginning on the lines in the body of the journal, begin by entering the Speed Type and Program Code. With the exception of the Budget Period (BP), that changes each Sept with the fiscal year, the other information will always be the same:

Speed Type	Account	Fund	Dept ID	Program	BP	Proj/Grant

## VI. DEPOSIT PROCEDURES

- A. The designated depositor in the SBDC RBO adds the receipt totals to check against the JERF total. An adding machine tape of all checks is to be scotch-taped to the front of the JERF by the originating department. The program and account codes are reviewed for appropriateness; the net and absolute totals are checked for accuracy.
- B. Using the information provided on the JERF, the designated depositor in the SBDC RBO creates a JE in PeopleSoft and enters it into workflow, and scans and uploads all back-up documents into PeopleSoft.
- C. The JE, with receipts and cash are reviewed in workflow for accuracy of totals, correctness of the scanned documents, signed and approved in workflow by the certifying signatory and returned to the designated depositor.
- D. Cash deposits must be prepared and reconciled by two cash handling authorized employees in the SBDC RBO or at the Research Valley, Galveston Co. Center or Ft. Bend SBDCs (see below). An alternate procedure will be developed for Coastal Plains if that center begins collecting training fees and wishes to make its own deposits. Separate deposit tickets must be prepared for cash and checks. Separate Deposit Summary forms must be prepared for cash and checks. A single journal can be prepared for both deposits if both will be sent for deposit at the same time, but separate BANK journal lines are required for each separate deposit ticket. Deposit bags will contain the cash OR checks and that deposit ticket. Deposit bags will have a copy of the Deposit Summary form and a copy of the journal attached. If the same journal is used for multiple deposit bags, a copy of the same journal can be attached to multiple bags.
- E. Copies of checks are **not** to be uploaded to deposit journal in PeopleSoft. After checks are deposited a copy is to be made and all confidential information at the bottom of the copied check (routing and account numbers) is to be redacted and that copy will be attached to the approved journal for record retention purposes only.
- F. One employee prepares the deposit and the other individual verifies the deposit (of which one must be an employee of the department making the deposit).
  1. Both individuals must:
    - a) Independently count the funds before they are placed into the deposit bag(s.)
    - b) Complete and sign the Cash Deposit Summary or Summaries.

- c) The plastic strip from the deposit bag that includes the bag number should be removed and either copied on to the JERF (or Journal Entry Coversheet, if deposited by the SBDC RBO) or the Cash Deposit Summary.
    2. The designated depositor will complete and submit a journal entry in PeopleSoft through workflow via path 1, Department -SFS-General Accounting.
      - a) A copy of the journal coversheet is attached to the deposit bag(s) which will be transported to Bank of America (see below) or SFS by UH DPS.
      - b) A copy of the deposit slip(s) prepared by the SBDC RBO is to be included with the documentation uploaded in PeopleSoft.
- G. Region SBDC Business Office** at the Fannin location has authorization to deliver their deposits to the Bank of America (BOA) located at 2302 Fannin (in the lobby of SBDC building), and obtain a printed receipt from the bank. The bank receipt should also be uploaded to the journal entry in PeopleSoft.
1. If the bank is closed for a holiday on which the UH is open and a cash deposit that exceeds \$100 must be made, UHPD should be contacted to pick-up and deliver the deposit to Student Financial Services. UHPD is called for a deposit pick-up no later than 2:00 pm daily. A deposit journal has to be processed, uploaded to the PeopleSoft workflow, approved by the certifying signatory and a copy of the journal coversheet be given to the UHPD officer before it can be taken to Student Financial Services.
  2. If the cash deposit is less than \$100, it will be kept in the safe and deposited the next business day during normal business hours.
- H. Research Valley, Ft. Bend, and Galveston Co.** – These SBDCs have authorization to make deposits at their local Bank of America (BOA) using their center designated deposit slips. In addition:
1. Authorized cash handlers at these locations must strictly follow the deposit instructions under item F.1. of this Section. In addition to the documentation required under Section V. G.1. above, documentation to be included with the JERF will include a copy of the Bank receipt received at the time of deposit.
  2. If the bank is closed for a holiday on which the UH is open and a cash deposit that exceeds \$100 must be made, write the date the bank was closed on the back-up documentation, and make the deposit the next business day.
  3. Copies of the daily deposit tickets for the RV SBDC and the Ft. Bend SBDC will be emailed or faxed by the SBDC RBO to the Treasurer’s Office to Stephanye Graves, [sgraves3@central.uh.edu](mailto:sgraves3@central.uh.edu) and Sheryl L. Smith, [swalton@central.uh.edu](mailto:swalton@central.uh.edu). The fax number is 713-743-8796.
  4. Copies of all required documentation as well as the deposit slips should be emailed to Donice Williams, [dwilliams25@uh.edu](mailto:dwilliams25@uh.edu) with a copy to Mae Hurst, [jhurst2@uh.edu](mailto:jhurst2@uh.edu), Bernadette Pittman, [bmpittman@uh.edu](mailto:bmpittman@uh.edu), and Yannisha Donahue, [ybdonahue@uh.edu](mailto:ybdonahue@uh.edu) by 12:00 noon of the day of the deposit to allow for timely data entry in PeopleSoft.
- I.** Completed deposits, or any other checks or cash received are kept in a secure and locked location until deposited with BOA on site or picked-up by UHPD. At least one other person within the deposit procedure chain is notified when cash has been secured in this manner.
- J.** All deposits are logged into a spreadsheet and database for reconciliation by Yannisha Donahue, Office Assistant 2 using the departmental copy of the JE. If the JE includes payments in the SBDC website database, the JE number for each item is to be entered on that day’s reconciliation log. If the JE includes a payment from an invoice, the JE number is to be logged into the appropriate field for that invoice.
- K.** Pre-numbered receipts that are hand written (non-training revenue; invoiced revenue) are also logged in a separate spreadsheet by Donice Williams, Office Assistant 2 and validated by Mae Hurst, Department Business Administrator, for comparison to receipts issued to the departments or units to review for missing receipt numbers.

## **VII. CREDIT CARD TRANSACTIONS**

- A. Most credit card transactions are processed through the SBDC’s website event database, the training management database. However, payments received for things such as room rentals, sponsor payments, and custom workshops are not processed through the SBDC’s website event database.
- B. Region training staff are trained on how to process credit card transactions for receipts received via telephone, person-to-person, and the mail. Staff are required to destroy, via the cross-cut shredder located in the Training department copy room, any handwritten cardholder data received via telephone as soon as the transaction is entered into BOA. Under no circumstance is cardholder data to be copied or retained in written form.
- C. Receipts obtained through credit card transactions follow the same 24-hour/5 day deposit rules as other forms of cash. Receipts from the credit card terminal should be mailed to the payer.
- D. The credit card terminal is to be “closed-out” daily when transactions have been recorded, and a JERF is submitted to the SBDC Business Office by 12:00 noon of the following business day, to the designated depositor.
- E. The deposit process continues as noted under V. Deposit Preparation – Journal Entries, above.

## **VIII. REFUNDS**

- A. In general, refunds for training fees are only made to customers when the SBDC cancels a class or when the customer requested a refund at least 5 business days prior to the scheduled class, and the individual does not wish to apply the payment to a future class. Refunds are not generally given to a customer who pays for a class and either does not attend, or requests a refund fewer than 5 business days prior to a class. Periodically, there may be instances that involve a customer service issue, and the Assistant Region Director, Training, Gina Mattei, may elect to refund a training class fee at her discretion.

  9. Mae Hurst, Department Business Administrator, reviews the documents to ensure that refunds are being issued to the same credit card account that the original payment was made.

## **IX. CHARGEBACKS**

- A. Chargebacks occur when a client makes a payment, then takes action by contacting the credit card company and requests the charge be reversed because they are disputing the charge. The credit card company notifies the University of the dispute. The UH Treasury department receives notices and sends it to General Accounting. General Accounting then emails the notice to the department. The department responds to the credit card company and sends a copy to General Accounting. The credit card company then determines the validity of the charges. If the credit card company finds the dispute to be valid the department proceeds with the following:
  - a. a journal is processed in PeopleSoft and submitted to General Accounting to reverse the charge
  - b. the original account code is to be debited as when it was originally credited
  - c. the journal description will read ‘Reversal-Disputed Charge’
- B. In some instances, the credit card company will automatically reverse the charge when a charge is disputed by a customer in which the following occurs:
  - a. the UH Treasury Department receives notice and sends to General Accounting
  - b. General Accounting initiates a journal to record the chargeback and notifies the department
  - c. if the department disputes the chargeback, the department notifies the credit card company why the chargeback is disputed
  - d. If the credit card company agrees with the department, the charge is reinstated and General Accounting initiates a journal to reinstate the charge and notifies the department

## **X. INVOICED PAYMENTS – ACCOUNTS RECEIVABLE**

- A. The SBDC Region Business Office (RBO) will invoice companies or organizations for groups of attendees to a training class, customized training, or for facility rentals at the request of the department director or his/her designee. - C. A copy of the check and invoice will be forwarded to the department who requested the department to verify payment.

- D. When checks are received as payments to invoices sent out by the SBDC RBO, a copy of the invoice must accompany the deposit.
- E. If the invoice was booked to the University's Receivables then the deposit of the funds should reverse this receivable in account code 12100. If the funds from the invoice had not previously been booked then the check is deposited into the appropriate account code as revenue.
- F. See separate SBDC procedures "*Processing Contracts and Managing Accounts Reviewable*" for complete information regarding payments received against an invoice.

- B. Departments must maintain a log of all overages/shortages which is recorded on Addendum D, Overage/Shortage Report Form (<http://www.uh.edu/finance/pages/References.htm>).
- C. Individual overages/shortages of \$20 or more, or annual cumulative overages/shortages of \$40 or more, must be immediately reported to General Accounting and the Treasurer's Office.
