Cash Handling Procedures
Fiscal Year 2017**

I. PURPOSE AND OVERVIEW

The Office of Admissions Department receives and deposits checks, and money orders for student application fees. Deposits are prepared daily in accordance with MAPP 05.01.01- Cash Handling. Based on University of Houston System Administrative Memoranda 03.F.04-Cash Handling, all cash transactions involving the Office of Admissions are subject to all applicable state laws and regulations and University policies and procedures. Admissions employees have a fiduciary responsibility to the University to handle cash properly and responsible for complying with the policies and procedures described below.

This document establishes policies and procedures for handling all cash activities at the University of Houston, including cash acceptance, the deposit of cash, and cash fund maintenance.

II. DEFINITION OF CASH

Personal, business, bank, and cashier's checks; money orders; and electronic transfers are received in the Office of Admissions and they are all in U.S. currency.

III. POLICY STATEMENT

A fee is charged for the following goods and services provided by the Office of Admissions: Undergraduate application fees, International admissions fees and Orientation fees for guests.

In addition, money may be received for reimbursements and other miscellaneous purposes.

Admissions employees handling cash are subject to all provisions outlined herein based on MAPP 05.01.01 – Cash Handling. University positions with cash handling or fund custodial responsibilities are designated as security sensitive.

Cash is not to be accepted or disbursed by University employees unless that employee has been authorized by the Division Department Business Administrator to handle cash for a specified purpose. All employees authorized to handle cash must be certified annually. This certification is done by completing the online training for Cash Handling. Admissions employees can register for this course at the following website, <http://www.uh.edu/adminservices/training/financeonline.htm>.

When an authorized Admissions employee receives cash, it is to be deposited promptly into the appropriate authorized University cost center. Retention of cash received from outside sources for use as petty cash or for making change is prohibited. Use of University cash funds or cash receipts for cashing checks is prohibited.

Admissions procedures for the handling of cash receipts are designed to provide accountability for monies received in accordance with accepted standards of internal controls. All employees of the Division are responsible for complying with the policies and procedures described herein. Failure to adhere to these policies and procedures may result in disciplinary action being taken against the employee.

All Admissions employees have an obligation to report any suspected theft, fraud, embezzlement, or any other irregularity causing a loss of cash in accordance with SAM 01.C.04, Reporting and Investigating Fraudulent Acts. Employees who are aware of criminal activity and fail to report such may be subject to disciplinary action. Employees are required to cooperate with any police or audit investigation, and they may be requested to keep their knowledge of the investigation confidential.

IV. RECEIVING CASH-GENERAL

Undergraduate domestic application fees are \$50.00 per student. International undergraduate application fees are \$75.00 per student. The application fees charge may be paid online, by check or money order by mail, or in person at the Welcome Center. Cash responsibility is defined by either the Enrollment Services Business Office Staff (ESBOS) or the Admissions Processing Staff (APS). See below the steps:

1. Upon receipt of payment for application fees, the authorized APS is responsible for processing the request by verifying the student name and identification number in PeopleSoft and writes the student ID number on the check, as well as the student name, if different from that on the check.
2. The APS enters each cash receipt on a log. The log indicates the date received, student name on UH records, student ID, application term, the amount paid and payment method (check or money order).
3. The ESBOS prepares an Excel worksheet listing student (last name, first name, PS ID#, check/money order#, semester applying, check receipt date, payment amount, and check/money order information) and then add the total amount of domestic and international application fees.
4. All monies received are secured in a locked security box by ESBOS while preparing for deposit. After deposit is prepared, an online deposit pick-up request needs to be completed for UH DPS at <http://uh.edu/police/transfers.html>.

V. RECEIVING CASH-ORIENTATION GUESTS FEES

New Student Orientation (NSO) guest fees are \$60 per person. Advising and Registration for Transfer Students (ART) guest fees are \$40 per person. The application fees charge may be paid online, by check, money order or in person at the Orientation registration information booth.

When a check or money order is presented for payment of Orientation conference fees, please note that it must be payable to **“University of Houston.”** (no other name should be on the payable line of the check or money order). If another name or initials (UH) is on the check or money order, it is not acceptable and should be return to the person. (A new check or money order should be presented with “University of Houston,” name on the payable line)

Each time checks or money orders are received, an acceptable form of receipt must be used such as a pre-numbered receipts with a duplicate copy. An Excel worksheet should be used to document all monies received from participants and it will serve as a cash receipt attendance log.

If a guest of a student present actual cash to register for the Orientation conference, please give them a copy of the registration form and direct them to UH Bursar Office to pay and return to the registration table with a receipt stamped from UH Bursar Office. Another option for guests with cash paying for Orientation conference is to direct them to UH Campus Bookstore to purchase a money order or gift card to pay Orientation fees. Please enter the participant’s information and receipt number on the attendance log as paid for that specific enrollment term (i.e., Fall, Spring, Summer).

All checks and money orders should be safeguarded by placing each check and money order received in a locked bank bag, locked cabinet or safe (acceptable storage places), until Security is contacted to pick them up from that location. The checks/money orders with the cash receipt log should be included in the locked bag to be delivered to Enrollment Services Business Office for reconciliation and posting to the general ledger. (Cost center 00730-2170-H0210-E0598-NA speed-type 51641).

Security will only pick-up requests for checks/money orders once a day using their online request; <http://uh.edu/police/transfers.html>. University of Houston Police Department will not pick up any deposits requested after 2:30. Late deposits must be kept in a locked safe overnight and held for police to pick-up the following business day.

Once Enrollment Services Business Office receives the checks/money orders, the Financial Coordinator will process the deposit through a journal with crediting the Admissions/Orientation cost center (00730-2170-H0210-E0598-NA speed-type 51641) and submit through workflow for approval.
