The residence halls close at noon, Saturday, December 22, 2012.

If you are returning for the spring 2012 semester, you can leave your belongings in your room. To assure room and building safety and security, all residents must take a few steps before leaving for the holidays in preparation for closing the buildings for the break.

- Turn all room lights off.
- Unplug all electrical appliances.
- Defrost refrigerators/leave open to dry.
- Discard all perishable food items.
- Remove fish and drain aquariums.
- Remove bicycles from bike racks.
- Take valuables home.
- Lock your door.
- Check mailbox before leaving.
- Enjoy the break and be safe.

All residence halls will re-open on Friday, January 11, 2013 at 1 p.m.

Calhoun Lofts will remain open during the Winter Break.
PERMANENT SEMESTER CHECK-OUTS

Residents that cancel their housing agreement (i.e., not returning for the spring semester) must notify their Customer Service Representative’s office.

Customer Service Representatives:
- Quadrangle - Courtnee Howell - 713-743-6040
- Moody Towers - Bernice Cantu - 713-743-6050
- Cougar Village - Mersha McCall - 832-742-6019
- Calhoun Lofts - Carly Varner - 832-842-5648

Residents that decide not to return for the spring semester forfeit their security deposit and will be charged a $450 cancellation fee. These residents will need to be completely checked out by December 22, 2012 to avoid additional charges. To complete a permanent check-out, residents must make an appointment with their RA, complete all paperwork and turn in their room and mailbox key(s).

Residents are also required to cancel their meal plan and/or cougar cash plan for the spring semester by notifying the Cougar Card Office and completing cancellation procedures.

BREAK HOUSING

Unfortunately, we are not able to offer Winter Break Housing.

HOLIDAY MAIL SERVICE

If not returning for the spring semester, please provide your forwarding address to UH postal services. You can do this online at https://ssl.uh.edu/wtsc_apps/uh_postal/forwarding/student_login.php
