

UNIVERSITY of HOUSTON
MANUAL OF ADMINISTRATIVE POLICIES AND PROCEDURES

SECTION: Finance and Accounting
AREA: Check and Cash Management

Number 05.01.01

SUBJECT: Cash Handling

I. PURPOSE AND SCOPE

All cash transactions involving the University, its colleges, or any department are subject to all applicable state laws and regulations and University policies and procedures, including University of Houston System Administrative Memoranda [03.A.07 – Petty Cash Procedures](#), [03.F.01 – Gift Acceptance](#), and [03.F.04 – Cash Handling](#). All University employees have a fiduciary responsibility to the University to handle cash properly.

This document establishes policies and procedures for handling all cash activities at the University of Houston, including cash acceptance, cash fund maintenance, and the deposit of cash.

II. POLICY STATEMENT

Cash is not to be accepted or disbursed by University employees unless that employee has been authorized by the college/division business administrator to handle cash for a specified purpose. All employees authorized to handle cash must be certified annually. This certification is done through online training.

When a University employee or department receives cash, it is to be deposited promptly into the appropriate authorized University cost center. Retention of cash received from outside sources for use as petty cash or for making change is prohibited. Use of University cash funds or cash receipts for cashing checks is prohibited.

Departmental petty cash funds will be authorized only in extraordinary cases where need and accountability can be demonstrated. Should a department successfully demonstrate a need for a petty cash or change fund, the fund is to be managed for the purpose authorized in accordance with proper cash handling procedures. All departmental petty cash and change funds require the approval of the college/division business administrator and the Treasurer's Office and are subject to annual review and reauthorization. Commingling of types of funds or using a change fund as a petty cash fund is strictly prohibited.

The limits and restrictions defined in this document are the maximum allowable at the departmental level; individual colleges or other departments may choose to set more restrictive internal controls or limits for their areas.

III. DEFINITIONS

A. **Cash:** For the purposes of this document: U. S. currency (dollars and coins); personal, business, bank, and cashier's checks; money orders; travelers' checks; or foreign drafts (but not foreign currency). (Note: The acceptance of foreign drafts may involve different procedures.)

- B. Cash recipient cost center: A University of Houston cost center authorized by the college/division business administrator to receive cash for a specific purpose and established in accordance with Budget Office requirements.
- C. Cash handling custodian: A person assigned the responsibility for the receipt, approval/certification, or deposit of cash and/or credit card sales within the area for any purpose. Depending upon the structure of the area receiving the cash and/or credit card sales, this designation may be given to the department approver of the General Ledger journal or to others with responsibilities for handling the cash; at the very least, one cash custodian must be assigned for each area receiving cash. Cash handling custodians must adhere to the same standards of accountability as fund custodians. The same person may be both cash and a fund custodian.
- D. Cash handling areas: Those areas or departments where cash is handled – through a petty cash or change fund and/or cash receipts.
- E. Cash receipts: Any cash received by a University department in checks and/or currency, for any purpose (revenues for goods or services, fees, gifts, etc.).
- F. Change fund: A fund established for the purpose of supporting a sales or service operation. The change fund is used to make change for direct sales of goods or services or to support indirect services (such as copy card machines and bill changers).
- G. Cost center: A valid General Ledger chartfield combination that represents an activity authorized to record transactions, usually a program within a department or a department. A cost center consists of the business unit, department ID, fund, program, and project.
- H. Credit card sales: Acceptance of a credit card for payment for merchandise or services; includes entering the pertinent credit card information into the credit card processing equipment, obtaining an approval or declination code from the credit card processor, and, if appropriate, having the customer sign a sales receipt acknowledging the transaction.
- I. Currency: For the purposes of this document, U.S. money: dollars and coins.
- J. Department approver: A person authorized to electronically approve General Ledger journals for a department in workflow, including cash deposit journals. The department approver's approval of a cash deposit journal indicates that the funds being deposited are properly classified, recorded to the proper cost center in accordance with University policies and procedures, and if restricted, are deposited into a restricted cost center in accordance with any applicable funding source restrictions.
- K. Departmental cash fund: The term used to refer to any type of cash fund maintained at a decentralized level: petty cash or change.
- L. Fund custodian: The departmental employee specifically authorized to manage monies in a petty cash or change fund. The fund custodian is responsible for the fund's safekeeping and ensuring that monies are expended and accounted for in accordance with this document. The same person may be both a fund and a cash handling custodian.
- M. Petty cash fund: A fund established at the decentralized departmental level for the purpose of expediting small dollar purchases where unforeseen circumstances preclude following regular payment or reimbursement processes.

IV. CASH HANDLING – GENERAL

- A. Employees handling cash are subject to all provisions outlined herein.
- B. University positions with cash handling or fund custodial responsibilities must be designated as security sensitive.
- C. All University departments must have internal policies and procedures for handling cash. These procedures shall be submitted annually, and when procedures are revised, to the Office of Finance.
 1. The procedures should include the basic tenets outlined in this document.
 2. Procedures for recording revenue should outline an audit trail that will identify the receipt of funds, the deposit of those funds in the University bank [account](#), and the recording of the journal in the University financial system.
 3. All processes are subject to review for standards of accountability.
- D. College/division business administrators are responsible for:
 1. Ensuring that cash funds and cash received in their areas are properly managed and that procedures are in place to help ensure adequate control of funds.
 2. Assign and authorize cash handling and fund custodians.

To help ensure a system of checks and balances, the fund or cash handling custodian may not be the employee with approval or verification responsibilities for the department's cost centers. If segregation of duties cannot be performed within a department due to insufficient staffing, additional supervisory review should be performed to validate and approve the cash receipt and monthly verification process.
 3. Ensuring that cash handlers and fund custodians are certified annually by completing the required online training.

Petty cash and change fund custodians are also required to complete and submit an Acknowledgement of Receipt of Funds and/or Cash Policies and Procedures Certification (http://www.uh.edu/finance/Doc_Ref/MAPP%20050101%20-%20Addendum%20A.doc) to the Treasurer's Office on an annual basis.
- E. The revenues from fees or services must be deposited into and managed in a cash recipient cost center authorized for that purpose by the Budget Office.
 1. Cash recipient cost center requests are submitted to the Budget Office via a Cost Center Request/Modification form and a stated reason/purpose for the cost center.
 2. College/division business administrators assign cash handling custodians to be responsible for the cash received and deposited into this cost center, and ensure that the custodian assigned complies with policies and procedures regarding cash handling.

- F. Under certain circumstances, a college or department may collect fees or may enter into an agreement to provide services of a special nature for which it will be compensated. These departments are subject to the following guidelines:
1. Whenever possible, significant regular fees and payments (such as application fees and course fees) should be made directly by the payer to Student Financial Services (SFS), not through the department.
 2. Fees and charges for services require the prior authorization and approval of the department head, the college/division administrator, the appropriate vice president, and the Board of Regents. Requests for fees and charges shall be submitted annually through the Budget Office for Board of Regents approval. Each college or division should have guidelines in place for requesting and approval of such charges.
- G. Overages and shortages are reported as follows:
1. Individual overages/shortages of less than \$20 are charged against or credited to a departmental cost center using the cash over/short account (50015).
 2. Individual overages/shortages of \$20 or more, or cumulative annual overages/shortages of \$40 or more, are immediately reported to General Accounting and the Treasurer's Office. Initial notification must be followed up with a written Incident Report (http://www.uh.edu/finance/Doc_Ref/MAPP%20050101%20-%20Addendum%20C.doc), which is sent to General Accounting and the Treasurer's Office.
 3. General Accounting will notify the University of Houston Department of Public Safety and the University of Houston System Internal Auditing department (if not previously notified) of any cumulative annual overages/shortages in excess of \$100, or in other cases they determine should be reported. A log of all reported discrepancies will be kept in General Accounting.
- H. Student Financial Services (SFS): This office is the primary University of Houston department responsible for revenue collection of approved tuition, fees, and other centrally billed charges through the student billing system. In addition to their primary responsibilities, SFS will accept all cash deposits prepared by University departments and will transmit them to the bank in locked bank bags. SFS will be the Intermediate Approver for cash deposits submitted to GL journal workflow. SFS will provide bank bags and related instructions and information, as required.
- I. The Treasurer's Office: This office is responsible for accepting endowment gift revenues, any negotiable stocks and bonds, and any funds from unidentified sources, and the depositing of those funds with the University's depository institution. Endowed gift revenue will be receipted and safeguarded in accordance with the procedures described in this document.
- J. Non-sufficient funds (NSF) Checks
1. When a check that has been accepted and deposited is returned unpaid by the bank, SFS processes the return as follows:
 - a. If the payment was posted to a student's account, the check is posted to ~~the student's account as an NSF check~~ ~~a SFS cost center as an Accounts Receivable — Returned Checks.~~

- B. Cash funds must be approved and reauthorized annually.
- C. Commingling of a petty cash and a change fund is strictly prohibited. These are two separate cash funds to be used for expressly separate purposes and should be accounted for and reconciled separately.
- D. Cash funds are monitored by General Accounting to help ensure compliance with University guidelines.
- E. Departmental Petty Cash and Change Funds can be obtained by submitting a request to the Treasurer's Office. See the "Departmental Petty Cash and Change Fund Request Guidelines," located at (http://www.uh.edu/finance/Doc_Ref/MAPP%20050101%20-%20Cash%20Fund%20Guidelines.doc) for a description of the required documentation.
- F. Petty Cash and Change Fund Custodian Responsibilities - Petty Cash and Change Fund Custodians must follow the guidelines of the Office of Finance for cash funds. These guidelines are enumerated in the "Petty Cash and Change Fund Custodian Responsibilities," located at http://www.uh.edu/finance/Doc_Ref/MAPP%20050101%20-%20Custodian%20Responsibilities.doc and in the "Departmental Petty Cash and Change Fund Request Guidelines," located at http://www.uh.edu/finance/Doc_Ref/MAPP%20050101%20-%20Cash%20Fund%20Guidelines.doc. Custodians are subject to disciplinary action up to and including termination and criminal charges for non-compliance. The guidelines include detailed requirements for: fund security, location, and required notification of changes; documentation; adherence to University cash handling policies; balancing funds; reporting theft or overages/shortages; allowable transactions, including dollar limitations and type of transactions; acceptable forms of receipt; replenishment of petty cash funds; annual reauthorization; and returning the fund to SFS when the need for the fund expires.
