I. PURPOSE AND SCOPE

This document has been written to ensure prudent management of all funds allocated to University of Houston Postal Services for carrying out mailing applications for faculty and staff. This document outlines the principles governing postage expenditures and prescribes procedures for ensuring appropriate signature authority for all permit postage expenditures. These apply to all users of university postal funds.

This document is applicable to all university postage funds.

II. POLICY STATEMENT

Permit mailing (all postal usage) funds are available only for university departments with approved budgetary account numbers. These account numbers along with an approved certifying signature must appear on the Departmental Mailing Card (DMC) presented with the permit mailings.

Departments using off-campus mailing houses must obtain appropriate documentation from UH Postal Services. This documentation consists of a USPS Postage Statement 3600-R or 3602-N signed by authorized UH Postal Service staff. The departments requiring this documentation must present a DMC with a certifying signature to Postal Services when they pick up the postal forms. This process will insure that the certifying signature is on file if the job uses more than $100.00 in postage.

UH Postal Services maintain the permit deposit account with the U.S. Postal Service. Postage will be charged to each department according to the budgetary account number furnished on the DMC.

III. PROCEDURE

A. In-House Processing

Call Bulk Mail Services, X 3-5825, to discuss your job. Deliver your job to Bulk Mail Services or arrange to have a free pick-up. A Departmental Mail Card (DMC) must accompany the job. Complete the entire DMC form. The DMC must have the following information:

1. Bar coded account number and department name on original card issued by UH Postal Services;
2. Department name;
3. Date;
4. Preparer’s name and signature;
5. Telephone number;
6. Number of mail pieces, and

7. Departmental preparer’s signature (if mailing is less than $100.00) or certifying signature (if mailing $100.00 or more. Example: A First-Class mailing of 228+ letter-size #10 envelopes or 115 oversize envelopes).

To avoid delays in outgoing business mail, the DMC must be completed in accordance with the above guidelines. (For information on how to obtain new or additional DMCs, see the Mailer’s Guide located on the UH Postal Services web site at [http://www.uh.edu/postal/](http://www.uh.edu/postal/). Make copies of the DMC from the master card only. Mail with attached DMCs where the barcode cannot be scanned by UH Postal Services equipment will be returned to the originating department.

The job cannot be processed until Bulk Mail Services receives the completed DMC. Postage and processing fees are charged back to the budgetary account numbers provided by the departments.

U.S. Postal Service forms 3602-N or 3600-R are completed by Bulk Mail Services staff and are presented with the mailings to the USPS. The postage charge backs appear on the departmental monthly PeopleSoft 1074 report. Monthly department postage charge back information can also be obtained from the UH Postal Services web site at [http://www.uh.edu/postal/](http://www.uh.edu/postal/). The charge back information is located under Quick Links.

B. Off-Campus Mailing Houses

Before departments can engage an off-campus mailing house for Non-Profit or First-Class Permit mailings, they must provide UH Postal Services with the following information by fax (X3-5827):

- Type of mailing – Bulk or First-Class.
- Approximate total piece count and weight and dimensions of one piece. (This will enable UH Postal Services to determine if there are sufficient funds to cover the mailing.)
- Ask for two copies of the U.S. Postal Statement 3602-N for Bulk mail or 3600-R for First-Class mail.
- Inform UH Postal Services when the forms are needed and if department personnel or the mailing house will pick up the forms.

The department requesting the U.S. Postal Services forms must furnish a completed DMC (see Addendum A) to UH Postal Services. The DMC must be faxed or scanned to UH Postal Services before the statements can be prepared. The budgetary account number, phone number, and certifying signature must be on the DMC. The forms cannot be released until the DMC is presented.

The department dealing with the mailing house must insure that a copy of the completed postage statement form is returned to UH Postal Services after the job is delivered to the USPS.

The postage charge backs appear on the departmental monthly PeopleSoft report. If the mailing is done in June, but the U.S. Postal Services form is not returned until July, the charge back will be done in July. It cannot be charged until the U.S. Postal Services form is received.
