I. PURPOSE AND SCOPE

The administration of the University of Houston recognizes that refreshments, business entertainment, and other discretionary expenditures can be important to the operation of the university. It is, however, critical to place these activities in proper perspective; to prevent abuses; to ensure prudent control of these expenditures; and to ensure compliance with all university, state, and federal regulations governing these expenditures and use of university funds. This policy defines the events which qualify as official functions, prescribes expenditure limits for official functions and discretionary purchases using university funds, and specifies lines of authority for approval of all such expenditures.

This policy is written to comply with applicable federal and state laws and regulations and with System Administrative Memoranda 03.A.02 and 03.A.15. It applies to all expenditures for the functions, goods, and services described herein by all university departments from all university funds, with restrictions and exceptions as defined.

II. POLICY STATEMENT

Certain university funds may be expended for official functions and discretionary purposes not directly related to the educational process that can be demonstrated to be of clear benefit to the university, subject to the limits outlined in this policy. All requests for payment or reimbursement of such expenditures will be subject to individual review and approval, must be paid from available and qualifying departmental funds, and must be fully documented and authorized in accordance with this policy.

In most cases, designated (fund group 2) funds or certain unrestricted auxiliary (fund group 3) funds shall be used for payment of expenditures for official functions and discretionary items. However, designated tuition funds (funds 2064, 2160, and 2164) may not be used for discretionary items, as indicated in Addendum B. Also, federal indirect cost (fund 2072) may not be used to purchase alcoholic beverages. Payment may be authorized from restricted (fund group 4) or sponsored project (fund group 5) funds only where allowed by the donor or the terms of the contract or grant. State-appropriated (fund group 1 and some fund group 7) funds cannot be expended for entertainment expenses, alcoholic beverages, gifts, service awards costing over $50, etc. (General Appropriations Act; Article 3, Section 51, Texas Constitution). Agency (fund group 9) funds, which are not owned by the university, are not subject to the requirements of this policy. However,
departments that administer agency funds should expend those funds prudently and in accordance with the fund owner’s wishes.

Expenditures not included in the definitions and limits provided and/or approved and documented according to these guidelines will be considered personal expenditures and will be the responsibility of the person incurring the expenditure.

university will reimburse such expenditures. The appropriateness of inclusion of
non-employee spouses is left to the discretion of the dean, director, or
