1. PURPOSE

This administrative memorandum establishes guidelines, in accordance with 
Section 51.947 of the Texas Education Code, for gifts to the University of Houston 
System, System support organizations, and other State of Texas public universities by 
System employees using a payroll deduction program. These guidelines do not include 
the State Employee Charitable Campaign (SECC).

2. POLICY

2.1. Timing of Program: The payroll deduction program for all component 
universities will be conducted on an ongoing basis.

2.2. Enrollment

a. Each component university will conduct its own enrollment. Each Office 
of Development is responsible for providing marketing direction and for 
confirming gift allocation parameters under the general oversight and 
guidance of the Vice Chancellor for University Advancement through the 
Development Executive Staff (a committee represented by each component 
university's chief development officers and other leadership development 
positions).

b. Employees may sign up to participate in the payroll deduction program at 
any time during the year by establishing a deduction through Employee 
Self Service (PASS) or contacting the Office of Development at their 
component university.

c. Employees may discontinue participation in the payroll deduction program 
at any time by giving written notice to the payroll department at their 
component university or by discontinuing the deduction through 
Employee Self Service (PASS).

d. University of Houston - Clear Lake, University of Houston - Downtown, 
and University of Houston - Victoria work with their own payroll 
departments to create the payroll deduction. The payroll deduction pledge 
information is then sent to Gift Processing and RecordsDonor and Alumni
Records (DARGPR) to assist in recording subsequent gifts in the System donor/alumni information management system.

e. At the University of Houston Main Central campus, the Donor and Alumni Records Gift Processing and Records department receives payroll deduction information from various sources:

1. Employee Self Service (PASS) notifies DAR of employee-created deductions by e-mail.

2. Solicitation response devices are received through regular or interoffice mail.

In the second instance, the Donor and Alumni Records Gift Processing and Records department is responsible for sending the deduction information to the payroll department and recording subsequent gift information in the System donor/alumni information management system.

2.3. Gift Levels and Designations

a. The minimum contribution amount through the payroll deduction program is $2.00 per month ($24.00 annually) per designation. For example, if an employee wishes to support both general scholarships and the library, a minimum gift of $4.00 per month ($48.00 annually) is required.

b. Employees may designate all or a portion of their gift to any of the component universities. For example, a UH main-campus employee may split their gift between the UH Library and the UHD College of Business.

c. Employees may designate all or a portion of their gift to a System support organization so long as the support organization is in full compliance with rules adopted by the System under Section 2255.001 of the Texas Government Code.

d. Employees may designate all or a portion of their gift to another State of Texas public university. The disbursement of these funds to the appropriate agencies is handled by the Office of Payroll.

2.4. Payroll Deduction Process

a. Deductions are made on an after-tax basis. They are not tax deferred.

b. Deductions will be taken once a month and will continue for the period of time set by the donor. Deductions for biweekly employees will be taken during the first pay cycle of each month.
c. One cost center will be established at the System level into which payroll deductions will be recorded for all campuses.

d. Funds will be transferred to the component university bank account or System endowment bank account for non-endowed and endowed contributions, respectively, by way of an electronic funds transfer.

e. The Donor and Alumni Gift Processing and Records department will receive an electronic file itemizing the itemized list of deductions from the Payroll Department. Gifts are processed and distributed through the System donor/alumni information management system. It is the responsibility of the Donor and Alumni Gift Processing and Records to process, reconcile, and communicate the payroll deduction information to the appropriate areas of each component university.

f. Funds will be transferred to the component respective universities' bank account or System endowment bank account for non-endowed and endowed contributions, respectively, by way of an electronic funds transfer submitted by Gift Processing and Records.
