

February 7, 2017 Student Center South Theater 6:30PM

The first documentary film biography about Congressman John Lewis, the civil rights hero and respected legislator whose unwavering fight for justice spans the past fifty years. Inspired by his commitment and legacy, *Get in the Way* is especially potent today. It captures both Lewis' hard-won achievements and inevitable disappointments as he defends the rights of all people through policy and action.

Featuring Guest Speaker: Filmmaker Kathleen Dowdey
