

Abbreviated Curriculum Vitae
JOAN E. SIEBER

Biographical Data:

Present Positions Emerita Professor of Psychology, California State University, East Bay
 Senior Research Associate, School for Health Studies, Simmons College, Boston
 Research Associate, Center for Public Policy, University of Houston

E-mail joan.sieber@csueastbay.edu

Home Address 2060 Quail Canyon Court, Hayward, CA 94542

Phones (home) 510-538 5424

Degrees:

Ph.D. Experimental Psychology, University of Delaware, 1965
 M.A. Experimental Psychology, University of Delaware, 1964
 B.A. with Honor & Distinction, University of Delaware, 1962

Associations and Fellowships:

Fellow, American Psychological Association
 Member, American Psychological Society, American Association for the Advancement of Science,
 Western Psychological Association, Association for Practical and Professional Ethics,
 Executive Committee Member and Treasurer of FOCUS (an international organization that builds capacity in the
 ethics review of biomedical and social/behavioral research)

Academic Honors and Awards:

Sigma Xi, Psi Chi, Phi Kappa Phi, Theta Chi
 Westerman Second Prize for Research in Bioethics, 1980
 GTE Second Prize for Curriculum in Ethics and Values, 1985
 CSUH: Outstanding Professor of the Year Award (CSUH: 1991-92); Merit Award for Outstanding Performance
 (1986-87; 1990; 1992-1994); Participation Excellence Award (1996-7)

Major Research, Teaching and Administrative Positions:

2005-2007 – Senior Research Associate, School for Health Studies, Simmons College, Boston
 2001-2002 – Acting Director, Societal Dimensions of Engineering, Science & Technology, National Science
 Foundation, Arlington, VA
 1998 – 2001-- Chair, Research Ethics Committee, LEGO Toy Corporation, San Mateo, CA
 1997 - 2000 -- Chair, Research Ethics Committee, Interval Research Corporation, Palo Alto, CA
 1987-91 -- Chair, Human Subjects Review, California State University, Hayward
 1977-78 - Senior Visiting Research Scholar, Kennedy Institute, Georgetown University.
 1971 - Department of Psychology, California State University, Hayward. Assistant; 1973 Associate, 1980 Full
 Professor, Psychology, 2000 retired & teach part- time.
 1974-77 -- Research Scientist, NASA-Ames Research Center, Moffett Field, CA
 1966-70 -- Assistant Professor & Research Associate, Education, Stanford University

Current Editorial Activities:

Editor-in-Chief: *Journal of Empirical Research on Human Research Ethics (JERHRE)*
<http://caliber.ucpress.net/loi/jer>

Consulting Editor: *Ethics & Behavior*; *Science and Engineering Ethics*, *Accountability in Research*, *IRB: Ethics
 & Human Research*; *Journal of Academic Ethics*

Selected Current & Recent Professional Activities:

Member, Committee on Scientific Freedom and Responsibility, American Association for the Advancement of Science (2007-2010)

Principal Investigator (with Gerald Koocher and Patricia Keith-Spiegel) “A Collegial Defense Against Irresponsible Science” 7-1-05 – 3-30-07, Research on Research Integrity program, ORI, HHS.

Presentations, FOCUS: “Evaluation of IRBs/REBs” (December 2003). Organizing committee and presentation on “Privacy” (June 3-5, 2005) Montreal, Canada, June 3-4. Treasurer of FOCUS an international ethics-review capacity-building organization. Organizing Committee (2006-2007)

Keynote speaker: “Ten Ways to Improve an IRB” OHRP/ORI co-sponsored State-wide meeting of California State University System, Long Beach, February 10-11, 2005.

Testimony to Secretary’s Advisory Commission on Human Research Protection on problems of research on children, pregnant women and prisoners, and exemption and expedited review. Washington, D. C. July 27, 2004.

Member, Council on Accreditation, Association for the Accreditation of Human Research Protection Programs. 2003 – 2006. Frequent site visitor.

Member, Board of Directors, Bay Area Community Services, California

Consultant on Human Subjects Issues: University Corporation of Atmospheric Research, 2004-05.

Consultant on Ethics in Project: Helping Youth Quit Smoking, University of Illinois, Chicago 2004-05

Consultant to Center for Health Care Ethics, St. Louis University, MO 2003-05

Member, National Human Research Protection Advisory Committee 2000 – 2002, now known as Social and Behavioral Sciences Work Group (2003 – present)

Various recent presentations (2004-2007) include Stanford University Bioethics Center; Office of Research Integrity, National Academy of Science, National Research Council; Columbia University, University of New Hampshire, Emory University, PRIM&R, CSUEB, American Psychological Society, American Psychological Assn., Stanford University Department of Statistics, American Association for the Advancement of Science, Saginaw Valley State University, MI; Western Psychological Assn., Institute for Community Research.

Consultant: Encyclopedia of Psychology; and the International Encyclopedia of Social & Behavioral Sciences. 1999 – 2001.

Organizer of National Workshop on State of the Art of On-Line Teaching of Scientific and Engineering Ethics which resulted in a special edition of Science & Engineering Ethics, Vol. 11, No. 3, 2005.

American Psychological Association/American Psychological Society Joint Task Force to Revise Ethical Principles in the Conduct of Research with Human Participants. 1995 - 2000.

Testimony to: National Bioethics Advisory Board, on revisions needed in the Federal Regulations of Human Research to make them more applicable to behavioral and social research, Washington, D.C. April 6-7, 2000.

Testimony to National Bioethics Advisory Board on privacy and confidentiality in social and behavioral research, Washington, D.C., September 13, 2000.

Department of Justice, Bureau of Justice Statistics, Review and evaluation of ethical and regulatory aspects of large-scale surveys on vulnerable populations (2000 – 2001).

Faculty member, IRB 101. A traveling workshop provided by Public Responsibility in Medicine and Research (PRIM&R) on invitation by institutions that conduct human research.

Development of IRB manual for the Bureau of Prisons, Department of Justice: The ethical conduct of social and behavioral research on prisoners and prison staff. Washington, DC, 2001.

Symposium organizer and participant. Research in a new regulatory environment: Lessons learned from teaching research ethics to IRBs, researchers, and students. American Psychological Association, San Francisco, August 25, 2001.

SELECTED RECENT PUBLICATIONS CONCERNING RESEARCH ETHICS

Books and Monographs, Author or Editor:

- Sieber, J.E.(Ed.)(1982).*Ethics of social research: Surveys & experiments*. New York: Springer-Verlag.
- Sieber, J.E.(Ed.)(1982).*Ethics of social research: Fieldwork, regulation & publication*. NY: Springer-Verlag.
- Sieber, J.E.(Ed.)(1982).*Values & applied social science*. Special issue American Behavioral Scientist. 26(2).
- Sieber, J. E.(Ed.)(1984).*Ethical issues in social & animal research*. Frederick, MD: University Publications of America.
- Sieber, J. E. (Ed.) (1991). *Sharing social science data: Advantages and challenges*. Newbury Park: Sage.
- Stanley, B. & Sieber, J.E.(Eds.)(1991). *Social research on children & adolescents*. Newbury Park: Sage.
- Sieber, J. E. (1992). *Planning ethically responsible research: A guide for students and internal review boards*. (Applied Social Research Methods Series). Newbury Park: Sage Publications.
- Stanley, B., Sieber, J. E. & Melton, G. (Eds.) (1995). *Research ethics: A psychological approach*. Lincoln: University of Nebraska Press.
- Sieber, J. E. (2001). *Human Subjects Protection Issues Related to Large Sample Surveys*. Washington, D.C.: Bureau of Justice Statistics, U.S. Department of Justice. <http://www.ojp.osdoj.gov/bjs>.
