**C Research Support (Selected)**

1. Leung, P. (2008). Statewide placement quality and capacity needs analysis. Funded by the Texas Department of Family and Protective Services. (P.I.: Leung, \$160,615).
2. Alexander, D., & Leung, P. (2007). Psychometric evaluation of a new, cannabis use disorders specific screen (the DSM-G-MI) and pilot implementation of cannabis screening within a suburban outpatient counseling clinic: Awarded by the University of Houston Division of Research GEAR grant (Grants to Enhance and Advance Research), January 31. (Co-P.I.)

3. Mental health needs among Asian Americans in Houston Areas (2000-2001). Funded by the University of Houston Grants to Enhance and Advance Research (GEAR). (Principal Investigator). To assess the prevalence rate of mental health problems among Asian Americans.
4. Social Work Research Development Center (1999-2000). Funded by the University of Houston Small Grants Program. (Principal Investigator). To develop an infrastructure proposal for a Mental Health Research Center. (P.I.)
5. Proposal to provide comprehensive needs assessment and three special studies for Ryan White Title I (1998). Funded by the Harris County Ryan White Council. (Principal Researcher). To estimate the prevalence rate of HIV/AIDS through 2005 in Houston and Harris County, TX.
6. Project Asian American Connect: Substance abuse treatment. (1997-2000). Funded by the Houston Endowment, Inc. (Project Director, Asian American Family Counseling Center). To identify the effectiveness of treatment programs for Asian substance users.
7. Child and adolescent mental health services needs assessment and planning project (1997-1998). Funded by the Mental Health and Mental Retardation Agency of Harris County. (Principal Investigator). To identify the prevalence rate of children's mental health in Harris County, TX.
8. Enhancing knowledge and skills of paraprofessional service providers working in elder care (1997-2000). Funded by the US Public Health Service. (Research Consultant). To evaluate the effectiveness of a paraprofessional training program for care providers for the elderly.
9. Project Asian American Connect. (1997-2000). Funded by the Hogg Foundation for Mental Health (Austin, TX). (Project Director, Asian American Family Counseling Center.) To identify effective treatment modalities for Asian Americans who suffer from mental health problems/ illness.
10. An evaluation of the Stabilization Enterprise Program. (1996-1998; 2000-2001). Funded by Cultural Arts Center of Houston/Harris County. (Evaluator). To assess the effectiveness of a stabilization program for mid and small sized arts organizations.
11. Interviewing strategies for child protective services (CPS) caseworkers: A multimedia computer-based training program version 2.0 (1997-1998). Funded by the University of Houston Limited Grant-in-Aid Program (Principal Investigator). To develop an interactive multi-media training program for CPS caseworkers.
12. Working with people of diverse cultures in child protection services (1997). Funded by the University of Houston Limited Grant-in-Aid Program (Principal Investigator). To test the reliability and validity of a cultural sensitivity scale for CPS caseworkers.
13. Developing a self-assessment instrument to evaluate cultural competency in child protective services (1996). Funded by the University of Houston Limited Grant-in-Aid Program. (Principal Investigator). To develop a scale for assessing CPS workers' cultural sensitivity in working with children and families.
14. ERADA Community Partnership. (1995-1996). Funded by the Center for Substance Abuse Prevention, DHHS. (Evaluator, Office of Community Project, UH-GSSW). To evaluate the effectiveness of a community partnership program in Stevenson, TX.
15. Community Action Partnership for Prevention Communication Grant. (1995-1996). Funded by the Center for Substance Abuse Prevention, DHHS (Evaluator, Office of Community Project, UH-GSSW). To evaluate the effectiveness of a community partnership program in Rosenberg, TX.
16. Wilderness Programs' Substance Abuse Project (1993-1995). Collaborated with the Hope Center. Funded by the Texas Commission Alcohol and Drug Abuse. (Evaluator). To assess the effectiveness of a wilderness substance abuse program.
17. Evaluation of Region 6 Children's Protective Services Training Institute, 1993-94, funded by Harris County Children's Protective Services. (Co-investigator). To assess the effectiveness of a 3-month training program for CPS caseworkers.
18. Interviewing strategies for child protective service workers: A multimedia computer-based training program, 1992-1993, funded by the Children's Protective Services Training Institute of Texas. (Principal Investigator, Office of Community Project, UH-GSSW). To develop a multi-media interviewing training program for CPS workers.
19. Drug-free Lamar Coalition, 1992-1996, funded by the Center for Substance Abuse Prevention, DHHS (Evaluator for Community Action Partnership for Prevention, Office of Community Project, UH-GSSW). To evaluate the effectiveness of a community partnership in Fort Bend County, TX.
20. Innovative, coordinated, community-based public information/education models to address the issue of substance abuse and its correlation with child and youth maltreatment, 1991-1993, funded by the National Center for Child Abuse and Neglect, DHHS (Evaluator, Office of Community Project, UH-GSSW). To identify the effectiveness of the use of media to prevent child abuse.

Program Director/Principal Investigator (Last, First, Middle):

21. The rural health care interdisciplinary training project. Department of Health, 1990-1991 (Evaluator, University of Hawaii School of Social Work). To develop a rural health curriculum for the health care professionals.
22. Child protection training and evaluation: A manual for child protective caseworkers. Research Relations Fund, University of Hawaii, 1990-1991 (Co-Investigator). To develop a training manual for CPS workers.
23. Competency-based child protection training program for child protective caseworkers. U.S. Department of Health and Human Services, 1988-1990. (Project Director, University of Denver Graduate School of Social Work). To assess the effectiveness of a competency-based training program for CPS workers.
24. An evaluation of the Jefferson County custody evaluation program in Colorado. Jefferson County Department of Social Services, 1990. (Principal Investigator, University of Denver Graduate School of Social Work). To evaluate the effectiveness of a custody program.
25. An inventory of mental health needs of Jefferson County, Colorado. Funded by the Colorado Mental Health Association, Jeffco Branch, 1989. (Principal Investigator, University of Denver Graduate School of Social Work). To assess the mental health needs in Jefferson County, CO.
26. An evaluation of the foster care system of the State of Colorado. Colorado Department of Social Services, 1988 (Principal Investigator, University of Denver Graduate School of Social Work). To assess the outcomes of the foster care system in the state of Colorado.
27. An evaluation of the Court Appointed Special Advocate Program (CASA) in Denver Juvenile Court (Colorado). Funded by The Child Abuse Prevention (CAP) Volunteers Agency, Denver, Colorado, 1987-1990 (Principal Investigator). To assess the effectiveness of the CASA program.
28. Performance Contracting: A preventive services model to manage pre-placement prevention services in four states. Dept. of Health and Human Services, 1987 (Sub-contracted with the National Resource Center on Family Based Services). To identify factors that contribute to out-of-home and in-home placements.
29. An analysis of factors contributing to success and failure in 11 Family Based Service Programs. Dept. of Health and Human Services, 1987. (Sub-contracted with the National Resource Center on Family Based Services). To identify factors that contribute to the success and failure of out-of-home placements.
30. An evaluation of the PREP-Ohio job training program (Second half-year). Funded by the Ohio Bureau of Employment Services, 1986 (Principal Investigator). To assess the effectiveness of a non-traditional job training program for women.
