

Co-enrollment in applied music and ensemble is required even after degree requirements are satisfied.

The Moores School takes pride in giving our Music Education students the same quality of instruction that our performance majors receive. Music education majors are only required to take a 2-credit, halfhour lesson each semester, but may elect to take a full-hour, 3or 4- credit lesson each semester if they wish to do so. Choosing full-hour lessons, however, will result in the need for additional summer coursework and/or delayed graduation. Please see an advisor for more information.

Recital Attendance: Music Education majors should attend at least 12 recitals each semester in residence, up to a total of 84 recitals. Students must attend at least 4 Tuesday recitals an 8 Tuesday OR other MSM recitals/concerts each semester to meet attendance requirements. Students who are deficient in recital attendance may not schedule a degree-required recital or qualify for graduation.

All UH degrees require at least 120 earned credits, 36 of which must be advanced. The last 30 credits of any UH degree must be completed at UH.

Music courses should be taken in the order shown, with deviations only as approved by an advisor.

ENGL 1303/1304 and MATH 1310 should be completed in the first year. All other core courses may be taken in any order as long as all prerequisites are met; this plan is only a suggested sequence.

All music education instrumental majors must take two semesters of marching band (String students are excluded).
