Alright! Alright! Alright!

Since the announcement of the Commencement date and that Matthew McConaughey was going to be our keynote speaker, the burning question has been

“Where can I get enough tickets for all of my guests to attend?”

We are glad you asked because that is the topic of this newsletter.

Before we go into the details, we want to make a couple of things very clear.

• You will have the opportunity to get all the tickets you need for your family and friends to attend the University Commencement celebration scheduled for Friday, May 15 at TDECU Stadium.

• In order to track attendance and gather the information we need to produce a successful event, a ticketing procedure will be implemented.

• Each ticket has a unique bar code which will be scanned at the entrance to the stadium and can only be used once.

• You do not need a ticket – only each of your guests, ages 3 and older, must have tickets.

**TICKETING PROCEDURE - ROUND 1**

• Tickets will be available April 3 – 17.

• This round is open to those Spring/Summer graduation candidates that met the March 27 filing deadline only.

• An email will be sent to these qualifying candidates with a link to the ticketing site.

• You will need your PeopleSoft number so be sure to have it handy.

• During Round 1, each of you will receive six (6) “Print at Home” tickets. There will be no physical tickets mailed to you.

• You can only access tickets once during Round 1.

Once Round 1 ends, you will receive another message with the information about Round 2 which will be open to a larger audience. This will be your other opportunity to get the balance of the tickets you might need.

Stay informed! Remember to read the UH Grad Chronicle and visit the Commencement website – www.uh.edu/commencement – for the current information on all things “Commencement”.

Until next week!
