Response to Round 1 for Commencement tickets has been outstanding! If you haven’t gotten your initial ticket allotment, you may want to do this before we launch Round 2 next week.

As you are making plans for your family and friends to attend, do not forget about those that may need a little extra assistance getting around.

If one or more of your guests has an impairment, we have special seating for them. The spaces are very limited so here is important information you will need to make sure your guests are properly taken care of. This information pertains to the University Commencement ceremony on Friday, May 15, at TDECU Stadium.

• Persons who have made impairment reservations still need an admission ticket, too.
• Reservations for special seating can be made by sending an email to eventsrvp@uh.edu.
• The deadline to reserve space for mobility impaired guests is Friday, May 1.
• Please state the nature of the impairment (mobility, hearing, sight) so we know where to place your guests.
• Only one (1) other person will be able to sit with the mobility-impaired person. The rest of the group will sit in general admission seating.

For information regarding arrangements for the college’s Convocation, please contact your college coordinators or visit your college Convocation website. You can access that information from the main UH Commencement website.

Stay informed! Remember to read the UH Grad Chronicle and visit the Commencement website – www.uh.edu/commencement – for current information on all things “Commencement”.

Until next week!
