POST YOUR OPPORTUNITIES IN COUGAR PATHWAY
You can identify potential candidates and manage all aspects of your recruitment process through Cougar Pathway. Post your part-time, full-time, experienced, and internship positions and set the criteria for the candidates you’d like to target. Once you identify candidates, we invite you to conduct your interviews here at UCS. To access to Cougar Pathway, create your profile by clicking HERE.

MEET WITH UH STUDENTS AND ALUMNI
1) Set up walk-in office hours or over coffee chats. Themed office hour topics include resume reviews and cover letter critiques, interviewing tips, networking strategies, and the recruiting process.
2) Meet students by setting up a table in a high traffic area such as the Student Center.
3) Coordinate an information session at UCS or elsewhere on campus to share information about your organization, employment opportunities, and what students could expect working in your industry.

LUNCH ON US
Want to learn more about UH students and alumni? Come to campus and enjoy lunch on us! Over lunch with UCS staff, we can assist in creating a customized strategy for your company to best recruit at UH. To reserve a date, contact Anne Hopton-Jones at ajhopton@central.uh.edu.

OPPORTUNITIES FOR INTERNATIONAL STUDENTS
UH aims to respond to changing demographics in an increasingly diverse world. If you can offer feedback on how we can better support our international students, please contact Ayo Ogunye at aogunye@central.uh.edu.
