

University Career Services Employer Board Description

University of Houston – University Career Services is recruiting business partners to serve on the **University Career Services Employer Board**. The Employer Advisory Board partners employers and UCS staff to discuss updates in the economy, UH's preparation of future employees, and company interests. The Employer Advisory Board is a great opportunity to support our ongoing outreach efforts and work with a group of like-minded people to enhance the lives of our diverse student population at the University of Houston.

Responsibilities of the UCS Employer Board include, but are not limited to:

- * Attend two meetings per year Twice per year
- * Actively recruiting at UH – UCS
- * Assisting with office employer development and relations feedback
- * Build relationships with other employers to discuss recruiting trends and best practices
- * Providing support by attending the annual Employer Meeting and at least two student events each school year (Career Fairs, Professional Development Week, Cougar Corporate Connections, etc.)
- * Raising awareness of [UCS programs](#).
- * Serving as an overall ambassador for our [strategic initiatives](#).

Benefits to serving on the UCS Employer Board:

- * Priority tabling at UCS career fairs
- * Additional promotion of job postings on social media and targeted student messages
- * One informational session each semester (fall and spring) to promote business and job opportunities
- * Recognition on UCS website and UCS employer guide.
- * Employer profile on Employer Advisory Board webpage

The Employer Board will meet in person once a semester (spring and summer). Monica D. Thompson, Executive Director for more information, mthomps3@central.uh.edu.
