University Career Services (UCS) uses a system called Cougar Pathway to assist students with the following:

- Scheduling a one on one career counseling appointment
- Searching for full-time and part-time jobs as well as internships and volunteer opportunities
- Applying for full-time and part-time jobs as well as internships and volunteer opportunities
- Reviewing resumes and cover letters for open positions
- Submitting interview requests
- Scheduling on-campus interviews
- RSVPing for UCS workshops, info sessions and career fairs

Steps for logging in and completing your profile

1. Visit AccessUH at: https://accessuh.uh.edu/login.php and click this icon
2. Log in using your UH ID (PeopleSoft) and password

This is the home page:

3. To complete your profile, click the "Personal Profile" red link under Getting Started.
4. Fill in your information and click [Save Changes and Continue] until you have completed the section.
5. Be sure you have entered your e-mail address correctly. This is how you will receive notifications about upcoming interview invitations. If you have not entered information correctly (work authorization, graduation date, etc.) you may not appear to qualify for jobs that you actually do qualify for. Also check to see if you have agreed to accept e-mails.

NOTE: You MUST complete your personal and academic profiles before you can search other areas of the system. The system will not allow you to move on until you’ve completed BOTH profiles.
