UNIVERSITY OF HOUSTON HAZING STATEMENT

UH Philosophy Regarding Hazing

• The University of Houston believes that true human development can best occur in an atmosphere of social and ethical responsibility.
• The University views responsible pre-initiation activity as a positive educational approach to preparation for student organization membership.
• The University views hazing activities as not contributing to the positive development or welfare of the individual.
• Therefore, the University of Houston recognizes acts of hazing as irresponsible, intolerable and inconsistent with the principles of higher education and basic human development and may be illegal.

III. Consent Is No Defense

Any of the activities described above upon which the initiation or admission into, or affiliation with, or continued membership in an organization is directly conditioned, shall be presumed to be “compelled activities;” the willingness of an individual to participate notwithstanding.

IV. Burden of Acceptability

The burden to ensure that student organization activities are acceptable under this policy rests with the student organization. This is a preliminary test for hazing: If you are not sure whether an activity is hazing, it probably is. Therefore, the activity should be dropped or discussed with the appropriate University official. Questions regarding the acceptability of a proposed student organization activity should be discussed with an activities advisor in the Center for Fraternity and Sorority Life or the Center for Student Involvement.

V. Applicability of Community Standards

The terms and concepts (e.g., humiliating, degrading, unusual, uncomfortable, embarrassing, demeaning, etc.) cited in this policy shall be interpreted by university officials in relation to acceptable and applicable community standards.
VI. Enforcement

a. The President or Chair of each registered student organization is responsible for informing the members (pledges, associate members, initiated members, affiliates, etc.) of the organization of the UH policy regarding hazing. It is suggested that the President or Chair read and distribute a copy of this policy to each member of the organization during the first meeting of each semester.

b. The President or Chair of each registered student organization is responsible for informing guests and alumni members of this policy and is additionally responsible for controlling the actions of guests and alumni members relative to this policy.

c. It is the responsibility of any and all individuals who have firsthand knowledge of the planning or actual occurrence of a hazing activity to promptly report said knowledge to the Dean of Students Office.

V. Immunity From Prosecution

The court may grant immunity from prosecution to each person who is subpoenaed and does testify for the prosecution. Any person reporting a specific hazing incident to the Dean of Students Office or other appropriate official/office and/or participates in any judicial proceeding as a result of the report is immune from liability, civil or criminal. Medical practitioners reporting treatment of students who have been subjected to hazing activities shall be immune from civil or other liability.
