How to compare survey results

1. Once you’ve located your student, click on SURVEY/DASHBOARD.

2. Click on the drop-down menu to view previous surveys that the student has taken. Choose the survey that you would like to compare to the current survey.

3. Once you have selected a previous survey, your screen will change slightly and a few new options will appear. Click on DASHBOARD COMPARISON.

4. A wealth of information is now available to show you how your student has progressed between surveys. To quickly see how surveys compare, you can view the **CHANGE** column at the far right (boxed in **RED**). This column highlights a **negative**, **positive** or **no** change. A legend is located at the top of the screen for your quick reference.
