UNIVERSITY OF HOUSTON
CAMPUS DESIGN GUIDELINES AND STANDARDS

TABLE OF CONTENTS

SECTION

0.0 PREFACE

1.0 MISSION

   • Nomenclature and Acronyms
   • University of Houston System
   • University of Houston
   • Facilities Planning and Construction Department

2.0 INTRODUCTION

3.0 PURPOSE

4.0 FUNDAMENTAL CAMPUS VALUES

5.0 ARCHITECTURAL DESIGN GUIDELINES

   • Overview
   • Appearance and Architectural Features

6.0 LANDSCAPE DESIGN GUIDELINES

   • Overview
   • Landscaping of Campus Edges
   • Landscaping of Gateways
• Landscaping of Campus Streets
• Landscaping of Parking Areas
• Landscaping of Walks
• Landscaping of Open Spaces
• Planting
• Irrigation
• Site Furnishings
• Lighting
• Landscape Plans

7.0 ENVIRONMENTALLY RESPONSIBLE DESIGN GUIDELINES

8.0 SPACE GUIDELINES AND UTILIZATION GOALS
• Space Inventory
• Space Guidelines
• Space Factors:

9.0 PARKING LOT AND PAVEMENT DESIGN STANDARDS
• Introduction
• Parking Lot Design
• Handicapped Accessible Parking
• Flexible Pavement System
• Sidewalks and Ramps
• Shuttle Bus Stops
• Security
• Drainage
• Lighting
• Striping and Marking
• Signage
• Parking Barriers
• Landscaping
• Maintenance and Repair
• Unforeseen Circumstances
• Working with Campus Staff
• Glossary

10.0 WAYFINDING STANDARDS AND GUIDELINES

• Introduction
• Exterior Signage
• Production, Installation, Maintenance, Replacement
• Interior Building Signage

11.0 EXTERIOR LIGHTING DESIGN GUIDELINES

• Overview
• Lighting Intensities
• Light Quality
• Fixture Locations
• Relative Lighting Intensity Sequence Diagram

12.0 CONSTRUCTION SYSTEMS AND ASSEMBLIES
STANDARDS AND GUIDELINES [UniFormat Style]

• Introduction
• Facility Performance
• Element A / Substructure
  o A10 Foundations
  o A20 Basement Construction

• Element B / Shell
  o B10 Superstructure
  o B20 Exterior Enclosure
  o B30 Roofing

• Element C / Interiors
  o C10 Interior Construction
  o C20 Stairs
  o C30 Interior Finishes

• Element D / Services
  o D10 Conveying
  o D20 Utility Piping Systems
  o D30 Heating, Ventilating, and Air Conditioning (HVAC)
  o D40 Fire Protection
  o D50 Electrical

• Element E / Equipment and Furnishings
  o E10 Equipment
  o E20 Furnishings

• Element F / Special Construction

• Element G / Building Sitework
  o G10 Site Preparation
  o G20 Site Improvements

Addendum A -- Laboratory Buildings
Addendum A.1 – Laboratory Design Guide

[This document has been withdrawn]

Addendum C – Classroom and Auditoria Best Practices

Addendum D -- Fire Alarm and Special Hazard Protection Specifications
  o Section 05 21 00 Fire Suppression
  o Section 05 21 10 Water Base Fire Suppression
  o Section 05 21 20 Special Hazard Fire Extinguishing System
  o Section 05 28 30 Electronic Detection and Alarm

Addendum E -- Electronic Access Control Design Guide

13.0 APPENDICES
