HOW TO SEARCH THE CENTRALIZED MASTER BIDDERS LIST (CMBL)

Access the CMBL by visitng https://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp

Dollar Thresholds:

\$0 to \$5,000.00- Spot Purchases- Encourage UH departments to request quotes from and utitlize HUB vendors.

\$5,000.01 to \$25,000.000-Informal bids- Unless subject to a bidding exemption informal bids require a minimum of two quotes from a HUB vendor.

There are mutiple ways to search for HUB vendors:

- Search by Vendor Name/Vendor Number- Generally used when you already have the vendors information and want to verify the vendors HUB status.
- Search by NIGP Code- Used when searching for mulitiple vendors. Agencies use class-item numbering and descriptions to properly code products or services on their requisitions and purchases, so informal and formal invitations for bid will reach vendors that have indicated they are capable of furnishing the required materials, equipment, supplies, and services.
- Business Catergory- Used when searching for multiple vendors offering a particular good and/or service.
