Subj: FY 2019 Annual No Boycott Israel Certifications

Texas Government Code §2270.001 states that a governmental entity may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract.

A contract includes both a contract and purchase order. The University of Houston requires that the No Boycott Israel form be attached to contracts for goods and services at any dollar amount and purchase orders over \$5,000 (\$3,000 federal funds).

The vendors listed below have provided an annual No Boycott Israel Form that can be used from 9/1/2018 to 8/31/2019. These No Boycott Israel Forms are on file in the Controller's Office. Departments may use this memo in lieu of obtaining a No Boycott Israel form for any of the listed companies for any contract or purchase order dated within this range.
