Returning students will need to get activated in their program. This may include speaking with your academic advisor or discussing the steps for coming off of suspension.

Complete FAFSA and Checklist Items. Many students returning from academic suspension may need to complete a SAP appeal for financial aid if they did not meet the cumulative GPA and Ratio requirements.

Students must turn in a Revision Request Form to be awarded as Spring Only. If they received aid at another institution during 2014-2015, they may need to complete a Transfer Monitor Form.
