Awarding Process
Readmitted Former UH Students

Returning students will need to get activated in their program. This may include speaking with your academic advisor or discussing the steps for coming off of suspension.

Complete FAFSA and Checklist Items. Many returning students also may need to complete a SAP appeal.

Students must turn in a Revision Request Form to be awarded as Spring Only. If they received aid at another institution during 2013-2014, they may need to complete a Transfer Monitor Form.
