

UNIVERSITY of HOUSTON

GRADUATE & PROFESSIONAL STUDIES COMMITTEE

Subcommittee Profiles

Academic Program Evaluation

Reviews/recommends new degree program proposals, program changes, & administrative change requests for subsequent submission to Coordinating Board. Reviews programs designated for monitoring by GPSC.

Graduate Admissions

Reviews/recommends graduate admissions policies. Address admission issues concerning the processes and standards that pertain to the admission of graduate and/or professional student applicants.

Graduate Policies

Reviews new or amended university policies that directly or indirectly impact graduate and professional students.

Graduate Student Affairs

Reviews/recommends policies regarding academic and work-related experiences of current graduate and professional students, including issues regarding thesis-dissertation submission and assistantships
