I despise hybrid classes, and the amount of class material that is required is too much. The class would be better if it were twice weekly w/ no online component.

III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

I enjoyed the discussions because they allowed me to express how I felt and exposed me to alternative view points.

15. What have you liked least about this course and why?

Some of the articles we had to read were arbitrary and boring.

16. Other comments and suggestions.

I think that this class would not be as good as it is if Ms. Valier was not the instructor.

15. What have you liked least about this course and why?

I don't like the disjointed nature of it. Granted this was the 1st semester it was a hybrid course and I've got in the way, so perhaps it will improve with time

III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

I liked that I got to discuss my interests w/ other students like me.

15. What have you liked least about this course and why?

The professor was hardly ever available for assistance. Always left early. If I did ask her to review something I turned in, she would be clearly upset if it wasn't according to what she wanted or take over a month to grade it. Her instructions were extremely vague.

16. Other comments and suggestions.

I was expecting to learn a lot from this course and the teacher. But what I learned here, I could've just checked out some books and learned from. Instructor didn't do much.
