14. What have you liked most about this course and why?

I like some of the books we read and some of the interestingly abstract topics we spoke about.

15. What have you liked least about this course and why?

I don't like that we had around 10 books to read. I feel that it might be more effective to narrow it down to around 4 books. This way we can have better analysis of the readings. We rushed some of the texts.

16. Other comments and suggestions.

It is a good class to help enhance the way you think, but changes can be made.
