# Dear Friends,

**Regionaltour** is one of the most remarkable tours you will ever consider. An ancient historian wrote that “*the land itself is the fifth gospel.*” He saw the impact of ancient trade routes and crossroads upon Bible literature. They helped to bring understanding to the power plays behind Bible narratives.

**Regionaltour** lets us see this, too. Standing at breath-taking vistas, viewing ancient crossroads, walking ancient Bible paths that Biblical characters knew provides an exciting step toward making the pieces of the Bible fit together. This is much more than the usual crowded church shrine and souvenir shop tour.

For three wonderful days we will focus on the center of Jesus’ public ministry around the regions and shores of the Sea of Galilee. We will sail the sea on a double scale replica of a fishing boat (the Jesus Boat) found in our lifetime on the northern shores of Kibbutz Nof Ginosar. On other days, we may choose to overview the route of Joshua’s victory from Gilgal over the Benjamin Plateau on the edge of Jerusalem. Or, we may choose to visit the Valley of Elah and reconstruct the battle between David and Goliath.

In Jerusalem we will sit on the Temple Steps in the Ophel Ridge and reconsider the Kingdom Parables of Jesus. One prominent Jewish scholar insists this is the one place where we may say with certainty that Jesus was at this place, and where He taught parables. We will walk on the ancient Herodian pavement when we visit the Western Wall.

Come, walk, and learn the land of the Bible with us.

Read the brochure, especially the Tour Conditions carefully. Note that today group travel includes airfares, hotels, meals, transfers, expensive entrance fees, and a scholarly guide at low prices not available for individual travel. Imagine all of this in a fully escorted tour with a spiritual leader you respect.

Return the registration form with your signature, date and deposit right away to assure your space.
