THE CRADLE OF HUMANITY STUDY ABROAD FOR A UNIFIED AFRICA
DEC. 17, 2018- JAN. 7, 2019

COURSE INFORMATION
- AAS 4440: Model African Union Seminar

PROGRAM OVERVIEW
The learning abroad in Ethiopia is intended to supplement education and engagement by providing students with firsthand experience. Students will have the opportunity to gain a greater understanding of the many aspects that determine international relations. Further, students will gain a range of knowledge with regards to historical, political, economic, and cultural relationships between African nations.
