Course Equivalency Form Instructions

You, the student, should complete this form in conjunction with the appropriate faculty member or advisor. Some colleges or departments have a designated faculty member or advisor that will work with Learning Abroad students. You should provide information about the course number, course title, and number of credits you intend to take at the university abroad and provide equivalent course details. You must provide a full syllabus for each course for which you are seeking credit. Learning Abroad will register you in placeholder courses for your term(s) abroad.

Contact the UH department that best matches the course(s) taken abroad. If you need assistance determining the appropriate department, please contact Learning Abroad.

Always consult with your primary academic advisor(s) to determine if courses taken abroad will count toward graduation requirements. At this time, Learning Abroad does not recommend attempting to fulfill Texas Core requirements abroad.

Prior to Meeting with the Appropriate Faculty Member or Advisor, Complete:

1. **Student Information**
2. **Program Information**: Check the box that corresponds to your selected program.
   a. **Type**:
      i. Affiliated Studies: The program is offered through a consortium or outside provider. Unless otherwise specified, your program is likely Affiliated Studies.
      ii. Exchange (REEP): The program is part of a bilateral exchange program between the University of Houston and the university abroad.
   b. **University Abroad**: If you are attending classes at a university abroad, please indicate which university.
   c. **Provider**: The name of the program provider (USAC, AIFS, ISA, etc.) if applicable.
   d. **Dates**: The exact start and end dates are required. Learning Abroad advises against participation in programs that interfere with any of your UH on-campus courses.

At Meeting with the Faculty Member or Advisor, Complete:

3. **Courses Abroad**: List the course title, number, and foreign credit hours to be taken abroad along with the equivalent UH course title, number, and credit hours utilizing the syllabi you retrieved from your university abroad or program provider. It is recommended to have backup courses approved.

The Faculty Member or Advisor Should Complete:

4. **Cumulative GPA**: Faculty member or Advisor should confirm the student’s GPA. If the GPA is below 2.5, student must also submit a Learning Abroad GPA Waiver to be signed by both the Advisor and Dean. If the GPA is below 2.0 the student is not eligible to participate in a learning abroad program.

5. **UH Course Equivalent**: Determine if and how the course can be accepted by UH. Please note that depending on major, department, college, or individual circumstances, credit transfer may vary or may not be possible.
   a. Generally there are three ways a course can be accepted by UH:
      i. Exact Course Equivalency (ie. SPAN 2302 - Intermediate Spanish 2)
      ii. Elective Credit within Major or Department (ie. Upper-level History elective)
      iii. General Elective Credit (ie. Lower-level general elective)

6. **Comments**: When needed, include comments, such as stipulations for receiving credit. By signing the Course Equivalency Form, the student agrees to the comments included.
   a. **Examples of Common Comments**:
      i. Student must complete language placement examination upon return from program
      ii. Student must earn a specific grade, such as a C- or better
      iii. Student can only transfer a maximum of 12 credits

7. **UH Faculty/Advisor Name and Signature**: Faculty member/advisor prints and signs his/her name, acknowledging the course equivalencies listed on this Course Equivalency Form, including the specified comments.

After the Meeting with the Advisor or Faculty Member, Complete:

8. **Dean Name and Signature**: The Course Equivalency Form must then be approved by the appropriate college Dean (the Dean of the college whose faculty member or academic advisor signed the Course Equivalency Form).
