American culture, history, sociology

Name: Dr. James L. Conyers, Jr.

Occupation: Director, Author,
Professor, University of Houston

The goal of the University of Houston is quite simple. To bring the best minds and resources in the world to Houston. It's paying off. And as the nation's most ethnically diverse research university, we are uniquely positioned to prepare students for an increasingly diverse society. Our programs are at the cutting edge in developing leaders with the knowledge and skills necessary for the 21st century. That is what makes a great university, a great university.
