**Amor en concreto= Love in concrete**
One night on Liberty Avenue, four desperate stories become entangled amidst the highway traffic. It starts with an argument, and Tony's father kicks him out of the car and onto the street, where Tony is saved by a transvestite hooker.
PN1997.2 .A48 2005 DVD

**Audre Lorde: the Berlin Years, 1984 to 1992**
Audre Lorde's incisive, often-angry, but always brilliant writings and speeches defined and inspired the US-American feminist, lesbian, African-American, and Women-of-Color movements of the 1970s and 1980s. Audre Lorde, the Berlin Years 1984 to 1992, documents an untold chapter of Lorde's life: her influence on the German political and cultural scene during a decade of profound social change. The film explores the importance of Lorde's legacy, as she encouraged Afro-Germans --who, at that time, had no name or space for themselves -- to make themselves visible within a culture that until then had kept them isolated and silent. It chronicles Lorde's empowerment of Afro-German women to write and to publish, as she challenged white women to acknowledge the significance of their white privilege and to deal with difference in constructive ways.
PS3562.O75 Z58 2012 DVD

**Beginners**
A young man is rocked by two announcements from his elderly father: that he has terminal cancer, and that he has a young male lover.
PN1997.2 .B444 2011 DVD

**Brideshead revisited**
Tells the story of the difficult loves of insular Englishman Charles Ryder and his peculiarly intense relationship with the wealthy but dysfunctional family that inhabited Brideshead. While at Oxford, Charles Ryder meets boyish, flamboyant Sebastian Flyte, who introduces Charles to a charmed and glamorous way of life that continues until Sebastian's health deteriorates.

**Brokeback Mountain**
It's 1963, a time in the United States when life was simple, straightforward and the lines between the sexes and sex roles were crisply drawn and severely delineated. Ennis Del Mar and Jack Twist find themselves thrown together when they are hired to tend sheep in the remote area of Brokeback Mountain, Wyoming. Because of the job, the two are forced to spend many hours together alone in the wild. Ennis and Jack are inexorably drawn to each other through their proximity, loneliness and through a shared lack of tenderness and emotion in their lives and are emotionally, physically and psychically bonded to each other almost from the start.

The Brandon Teena story
Documentary film about Brandon Teena, who arrived in rural Falls City, Nebraska, in 1993 where he finds some new friends. Three weeks later he is brutally raped and beaten by friends who discover that he is actually a woman. A week later the same two men murder Teena along with two other people. This is a tale of Brandon's coming of age struggle with identity and how his gender ambiguity induced feelings of betrayal, confusion and hostility among residents of a town in America's heartland. Featuring interviews with those who loved him, those who hated him, and the prison inmates who sealed his fate.

The Gender puzzle
Science is identifying new biological processes that determine a person's sex. How will these findings affect the transgender and transsexual community? This program explores the latest research into gender development and the medical, cultural, and legal issues at the heart of the "brain sex" school of thought. Showing how human genome research has shifted scientific focus away from chromosomes, the video examines the role of brain receptors and the discovery of the SRY protein, which establishes maleness. Interviews featuring people with intersex and transsexual experiences shed light on how gender identity emerges, and how it figured into one man's legal battle for the right to marry.
