The Summer Program for Operations Research Technology (SPORT) is coming to University of Houston

Summer Program for Operations Research Technology (SPORT) Information Session
PGH, Room 651G
Monday, September 22, 2014
3:00 p.m. – 4:00 p.m.

For more information about the SPORT program, please visit:
http://www.nsa.gov/careers/opportunities_4_u/students/graduate/sport.shtml

The Summer Program for Operations Research Technology (SPORT) at the National Security Agency (NSA) offers U.S. citizen graduate students the opportunity to apply their academic knowledge in a stimulating professional environment. As a SPORT intern you will work closely with full-time Operations Research, Modeling and Simulation analysts applying the technical skills you’ve learned in college to challenging real-world problems. Learn more about SPORT as we show a brief video on NSA followed by a discussion of program details.

- Operations Research (OR)
- Modeling and Simulation (M&S)
- Industrial Engineering
- Management Science/Decision Analysis
- Applied Mathematics
- Probability and Statistics
- Systems Engineering

WHERE INTELLIGENCE GOES TO WORK™

U.S. citizenship is required. NSA is an Equal Opportunity Employer. All applicants for employment are considered without regard to race, color, religion, sex, national origin, age, marital status, sexual orientation, or status as a parent.
