Policy

The School of Nursing (SON) is committed to ensuring that nursing students are afforded due process in all progression related issues. The SON Progression was established as a method whereby students can bring forth progression issues to be examined for fairness, policy adherence, and accuracy. The policy establishes processes for the petition and outlines the functions of the SON Progression Committee.

Procedure

Goals

1. Provide due process and written resolution to student progression issues.
2. Develop a 4 tiered process for managing student progression issues within the School of Nursing.
3. Apply current University and School of Nursing policies to successfully resolve student progression issues.
4. Provide ongoing evaluation of current progression related policies and procedures.
5. Collect data regarding progression issues that are unresolved at the program level.

Guidelines

1. A SON Committee Chair will be elected annually by the Committee Members.
2. All SON faculty will be members of the Progression Committee and will serve in this capacity on a random, rotating basis to be determined by the Chair.
3. Committee members will be called by the Chair based on receipt of student petitions.
4. Committee members will be selected on a random/rotating basis by the Chair when a petition is received.
5. The Progression Committee will only address petitions regarding progression issues, examples of which are listed here but not limited to:

   Course failures that meet criteria of compelling evidence that suggests an error, discrimination or differential treatment
   Attendance Issues/Tardiness that result in loss of progression
   Student Boundary Issues resulting in loss of progression
   Malpractice issues resulting in loss of progression
   PASS assigned Course Grades
   Incivility/Unprofessional behaviors resulting in loss of progression
   Academic dishonesty issues resulting in a loss of progression
6. Progression issues will be addressed in a 4 tiered process as follows:

Tier 1:
The course faculty will determine progression in all individual courses. Faculty may also determine progression based on issues that occur anytime a student is representing themselves as a University student and/or engaged in activities associated with the University.

Tier 2:
Students who are not satisfied at Tier 1 may petition the Associate Dean. The Associate Dean will review the petition and make a determination by supporting the Tier 1 decision or offer an alternative resolution.

Tier 3:
Students who are not satisfied at Tier 2 may petition the Progression Committee. The Progression Committee will review the petition and make a determination by supporting the Tier 2 decision or offering an alternative resolution.

Tier 4:
Students who are not satisfied at Tier 3 may petition the Dean. The Dean will review the petition and make a determination by supporting the Tier 3 decision or offering an alternative resolution.

7. All student petitions will be addressed at the Tier 2 level prior to the last day to register without penalty.

8. Students will not be allowed to register for courses at the Tier 2, 3, or 4 level unless a resolution has been granted that allows progression.

PROCEDURE

1. Student petition at Tier 1:
Students with a progression issue will first discuss the issue with the course faculty. All students will be encouraged to resolve issues at the faculty/course level. If a student is not satisfied at Tier 1 and a resolution cannot be made, students will be directed to the Tier 2 process. Each Tier can only be accessed in order.

2. Student petition at Tier 2:
   a. The student will complete the Progression Petition Form and email it to the Associate Dean.
   b. The Associate Dean will review the Progression Petition Form and support faculty resolution or apply current policy, procedures, and evidence to develop a new resolution.
   c. The Associate Dean will communicate the resolution with the student.
   d. The Associate Dean will place a copy of the form in the student’s permanent School of Nursing file.
3. Student petition at Tier 3:
   a. The student will send the Progression Petition Form to the Progression Committee.
   b. Upon receipt of a student petition, the Chair of the Progression Committee will review the petition after determining the Associate Dean’s resolution.
   c. The chair of the Progression Committee will select 2 faculty members from a random list and notify them of the meeting time and place.
   d. The Committee will meet and review the petition.
   e. The Committee will support the Associate Dean’s resolution or apply current policy, procedures, and evidence to develop a new resolution.
   f. The Chair will complete the Progression Petition Form.
   g. The Chair will inform the student of the resolution via email.
   h. The Chair will place a copy of the form in the student’s permanent School of Nursing file.

4. Student petition at Tier 4:
   a. The student will send the Progression Petition Form to the Dean via Email.
   b. Upon receipt of a student petition the Dean will review the resolutions of the faculty, Associate Dean, and the Progression Committee.
   c. The Dean will uphold the Progression Committee’s resolution or make an alternative resolution.
   d. The Dean will communicate the outcome with the student.
   e. The Dean will send a completed Progression Petition Form to the student’s permanent School of Nursing file.
